Program	Degree	Admission Requirements	Program Type	Entry Terms	Application Deadline	Program Length	Deposit Required	12-Month Funding for Eligible Students*	12-Month Estimated International Tuition & Fees*
Anthropology (P)	M.A. / M.Sc.	Honours B.A. or B.Sc. in Anthropology or related field and minimum B+ (77%) in last 10 credits, and a foundation in appropriate research methodology	Thesis	September	Early consideration January 1; February 1	2 years	No	$18,000	$26,618
Applied Modelling & Quantitative Methods (P)	M.A. / M.Sc.	Honours B.A. or B.Sc. in a traditional discipline with minimum B+ (77%) in last 10 credits	Thesis	September	February 1	2 years	No	$18,000	$26,618
				January	June 1				
				May	October 1				
Bioenvironmental Monitoring & Assessment (P)	M.Sc.	Honours B.Sc. with minimum B+ (77%) in last 10 credits	Thesis (with placement)	September	February 1	28 months	No	$22,500	$26,618
				January	June 1				
				May	October 1				

Program	Degree	Admission Requirements	Program Type	Entry Terms	Application Deadline	Program Length	Deposit Required	12-Month Funding for Eligible Students*	12-Month Estimated International Tuition & Fees*
Canadian Studies (P)	Ph.D.	Master's degree with at least B+ (77%) standing in Canadian Studies or a related discipline	Thesis	September	February 1	4 years	No	$23,000	$12,710
Canadian Studies & Indigenous Studies (P)	M.A.	Honours degree with a minimum B+ (77%) in last 10 credits and undergraduate courses relating to Canada	Thesis	September	February 1	2 years	No	$18,000	$26,618
			Major Research Paper			1 year			
Computer Science (P)	M.Sc.	Honours B.Sc. degree with a minimum B+ (77%) in last 10 credits	Thesis	September	February 1	2 years	No	$18,000	$26,618
Cultural Studies (P)	M.A.	Honours degree with at least B+ (77%) in last 10 credits and a demonstrated aptitude for interdisciplinary study, plus an appropriate plan of study	Thesis	September	February 1	2 years	No	$18,000	$26,618
			Major Research Paper			1 year			
	Ph.D.	M.A in Cultural Studies or related discipline with at least A- (80%) overall, aptitude for theoretical inquiry and excellent writing skills, original and innovative dissertation proposal	Thesis	September	February 1	4 years	No	$23,000	$12,710
Educational Studies (P)	M.Ed.	Honours degree with a minimum B+ (77%) in last 10 credits (or general degree with domestic B.Ed. International B.Ed. may be considered), plus appropriate previous education with feasible proposed course of study and research project	Thesis	September	February 1	2 years	No	No funding	$30,244 – $58,211 Dependent on course enrollment; fees charged by course
English (Public Texts) (P)	M.A.	Honours degree in English Literature or another field relevant to public texts with minimum B+ (77%) in last 10 credits	Thesis	September	February 1	2 years	No	$18,000	$26,618
			Major Research Paper			1 year			
			Internship						
			Research Creation						
Environmental & Life Sciences (P)	M.Sc.	Honours B.Sc. in related discipline with a least B+ (77%) in last 10 credits	Thesis	September	February 1	2 years	No	$23,000	$26,618
				January	June 1				
				May	October 1				
	Ph.D.	M.Sc. degree in applicable discipline with minimum B+ (77%) overall	Thesis	September	February 1	4 years	No	$26,000	$12,710
				January	June 1				
				May	October 1				
History (P)	M.A.	Honours degree in History with minimum B+ (77%) in last 10 credits, plus appropriate previous education with feasible proposed course of study and research project	Thesis	September	February 1	2 years	No	$18,000	$26,618
			Major Research Paper			1 year			
Indigenous Studies (P)	Ph.D.	Master's degree or equivalent in Indigenous Studies or other disciplinary-based graduate program with a minimum B+ (77%) or equivalent overall	Thesis	September	January 15	4 years	No	$23,000	$12,710
Interdisciplinary Aging Studies (P)	M.A.	Honours B.A. or B.Sc. from an accredited institution with minimum B+ (77%) in the last four semesters (full time equivalent)	Thesis	September	February 1	2 years	No	$18,000	$26,618
Interdisciplinary Social Research (P)	Ph.D.	Master's degree in social science or a related discipline with at least A- (80%) overall	Thesis	September	January 15	4 years	No	$23,000	$12,710
Materials Science (P)	M.Sc.	Honours B.Sc. in Chemistry, Physics, or Engineering with minimum B+ (77%) in last 10 credits	Thesis	September	February 1	2 years	No	$23,000	$26,618
				January	June 1				
				May	October 1				
	Ph.D.	M.Sc. degree in applicable discipline with at least B+ (77%) overall	Thesis	September	February 1	4 years	No	$26,000	$12,710
				January	June 1				
				May	October 1				
Psychology (P)	M.Sc.	Honours B.A. or B.Sc. in Psychology with at least B+ (77%) in last 10 credits, and an average of A- (80%) in Psychology courses, plus appropriate previous education with feasible proposed course of study and research project	Thesis	September	February 1	2 years	No	$18,000	$26,618
	Ph.D.	Ph.D. applicants must have a M.Sc. or M.A. or equivalent degree in Psychology (or related field) with a minimum A- (80%) average on master's degree course work	Thesis	September	February 1	4 years	No	$23,000	$12,710
Sustainability Studies (P)	M.A.	Honours B.A. or B.Sc. in a related field with at least A- (80%) in last 10 credits, plus appropriate previous education with feasible proposed course of study and research project, and a foundation in appropriate research methodology	Thesis	September	February 1	2 years	No	$18,000	$26,618
			Co-op			16 months			
			Major Research Paper			1 year			

(D) Available at Durham GTA campus (P) Available at Peterborough campus

*All tuition, fees and funding shown are based on basic rates for international students. Amounts shown in Canadian dollars, estimated based on the 2026-27 academic year and are subject to change without notice. Graduate students are enrolled in all terms until graduation without scheduled breaks.
