Early Career Researcher Award Nomination Form

Nominator Information:

Nominator's Name:	
Department:	
Email:	
Phone:	

Candidate/Nominee Information:

Candidate/Nominee Name:	
Department:	

Candidate/Nominee Suitability:

Please provide a concise statement outlining the nominee's suitability for the award. The statement should explain how the nominee's field of study and research contributions align with the discipline-specific criteria for Exceptional Performance and demonstrate why their achievements represent outstanding performance within their discipline. Written for a multidisciplinary review committee, the rationale should clearly articulate the significance and impact of the nominee's accomplishments in accessible language and address the relevant evaluation criteria outlined in the Terms of Reference.

Nominee's Proposed Research Plan (3-5 Years)

Maximum 2 pages, single-spaced, including references, where applicable (1000 - 1200 words).

References:

Please include basic contact information for the two references:

Name	Institution	Department
