

Trent Library - DATA USER REGISTRATION FORM

FILE TYPE: Statistics Canada, DLI

This information has been provided to Trent University Library as a result of our participation in the Data Liberation Initiative (DLI). The DLI is a cooperative effort among the Humanities and Social Science Federation of Canada (HSSFC), the Canadian Association of Research Libraries (CARL), the Canadian Association of Public Data Users (CAPDU), the Canadian Association of Small University Libraries (CASUL), Statistics Canada and other government departments. The DLI provides academic institutions with affordable access to Statistics Canada's data files and databases for teaching and research.

License Conditions:

The Government of Canada is the owner, or the licensee, of the intellectual property rights (including copyright) in the data products offered under the Data Liberation Initiative, and this licence is only a licence to use these data products. No title or other rights are conveyed by this licence.

These data products are provided "as is", and the owner makes no representations or warranties, either expressed or implied, as to the appropriateness and fitness for a particular purpose.

The data products are to be used only by educators, students and other staff members of this educational institution (referred to herein as "authorized users") and only while they have such status with this educational institution.

These data products are provided for the exclusive purposes of teaching, academic research and publishing, and/or planning of educational services within this educational institution, and may not be used for any other purposes without the explicit prior written approval of Statistics Canada.

Authorized users are prohibited from using these data products in the pursuit of any contractual or income-generating venture either privately, or under the auspices of the educational institution.

Authorized users shall not attempt to re-identify the records on the microdata files so as to relate the particulars to any individual person, business or organization.

Copies of the data products can be retained by authorized users for the period necessary to conduct the research or teaching, including their use as evidence of research methodologies and results, and subsequent research and analysis.

The distribution of any data obtained under this agreement outside this educational institution through sale, donation, transfer or exchange of any portion of these data in any way is strictly prohibited, with the exception of distribution to bona fide participants in the Data Liberation Initiative. *The DLI Contact (please contact- dataimage@trentu.ca) of my institution must agree to such distribution.*

The publishing of analysis and results from research using any of these data products is permitted in research communications such as scholarly papers, journals and the like. The

Data & Image Laboratory
Maps, Data and Government Information Centre (MaDGIC)
4th Floor, Thomas J. Bata Library
Trent University

authors of these communications are required to cite Statistics Canada as the source of the data, and to indicate that the results or views expressed are those of the author/authorized user. Permission to use extracts of these data in textbooks must be obtained from the Licencing Section of Statistics Canada's Marketing Division.

Citation Information

Guidelines for citing Statistics Canada Information are found at:

" How to Cite Statistics Canada Products" -
