

Engage in lively argument

Rise to intellectual challenges

Express your best ideas

English. **Trent.** You.

TRENT UNIVERSITY

Explore [www.trentu.ca/english](http://www.trentu.ca/english)

## Why Trent?

- Cutting-edge research in language, literature, and the humanities
- Faculty dedicated to teaching and research, recognized through provincial and national teaching awards
- Seminar and workshop-based learning, providing opportunities for discussion and critical thinking
- Student involvement in Department decision-making
- Preparation for a world of intellectual and career directions
- Choice between Peterborough and Oshawa locations

When you study English at Trent, you engage with the humanities to make the world around us more critical of power, more generous in spirit, more responsive, and more humane.

## Degree Opportunities

**Bachelor of Arts (Honours)**

**Bachelor of Arts (General)**

## Career Conscious

Studies in English will prepare you with skills essential to shaping the information age: critical inquiry, creativity, imagination and inventiveness. You will discover a host of career opportunities in areas such as writing, editing, research, journalism, publishing, public relations, education, government, broadcasting and media.
