

**Personal Vehicle Driving Directions  
To the Environmental and Resource Studies Program, Trent University  
from Toronto area (from the west)**

1. Take highway 401 east to the highway 115/35 exit.
2. Continue on highway 115 north. This highway ends at highway 7 (at the traffic lights), and the road continues north of this intersection, changing name to Television Road. Continue north on Television Road.
3. Continue north on Television Rd. to Parkhill Road (just past a gas station on the right) and turn right (east)
4. Continue east on Parkhill Rd. to University Road (after going down and up a hill), and turn left (north).
5. Continue north on University Road until it ends at Nassau Mills Road, and turn right.
6. Follow Nassau Mills Road, turning right at East Bank Drive (first right after passing under the footbridge crossing the river).
7. Park in the first parking lot on the left ("Blue" lot, where visitors can park- pay and display).
8. Walk through the staff parking lot to the Environmental Science Centre (building closest to the Otonabee river; the building is signed at the turning circle entrance), and take the outside stairs from the turning circle up to the second floor and enter the building.
9. Turn right and go through a set of doors; the Environmental and Resource Studies Program office is the first door on the left hand side (2<sup>nd</sup> floor), room ESC B202.
