

**tenable at Trent University**

Queen Elizabeth II Graduate Scholarships in Science & Technology are available to eligible students enrolled in full-time research graduate programs (masters or doctoral level) in science and technology. At Trent these programs include: Applied Modelling & Quantitative Methods (M.Sc. only), Materials Science and Environmental & Life Sciences.

Application Procedures:

- A. Parts 1 and 2 must be completed in full by the student.
- B. Include photocopy of proof of Canadian citizenship or permanent resident status, and unofficial copy of transcript(s) of previous and current studies.
- C. Confidential reports on the applicant (using the attached forms) to be provided by two (2) academic referees.

The deadline for receipt of the 2011-12 applications is Friday September 16, 2011. Please return to the School of Graduate Studies, Science Complex Room 201, Attention: Jane Rennie

## **PART II. – Free Form Pages**

[Print must be black ink, preferably using a wordprocessor. Maximum one page for each section. Provide the required information using the specified headings and follow the order indicated. Make sure your name appears at the top right-hand corner of each page.]

### **1. Outline of Proposed Research**

Provide a description of your proposed research activities for the period of the award, including objective and methodology. State the significance of the proposed research.

### **2. Research Experience**

Describe the scientific abilities that you have gained through past research experience. If you have relevant work experience, discuss the relevance of that experience to your field of study/research and any benefits you gained from it.

### **3. Contributions to Research and Development**

List your contributions to research and development (publications, reports, posters, papers). Indicate whether publications resulted from work done in the process of completing your undergraduate or master's degree, or from other relevant work experience.

### **4. Interpersonal/Leadership Abilities**

Describe the activities (professional and relevant extracurricular) in which you are involved that demonstrate your communication, interpersonal, and leadership skills. [Examples of these include oral presentation, mentoring, teaching, project management, chairing committees, organizing conferences or meetings, supervisory experience, and elected positions held.]
