

THE DAVID SHEPERD FAMILY LECTURE SERIES

TRENT UNIVERSITY
PROUDLY PRESENTS

ROBERT F. KENNEDY, JR. “Our Environmental Destiny”

World-famous environmental activist, R.F. Kennedy, Jr. will engage and inspire us about our collective responsibility to protect and preserve the environment for future generations. A leader in environmental research, Trent is delighted to bring this historic presentation to the community.

Open to the Public
Thursday, May 22, 2008 7:30 p.m.
Peterborough Memorial Centre

Seating limited – get your tickets today!
743-3561 www.trentu.ca/kennedy

Ticket proceeds will establish new Trent University Graduate Scholarships for students conducting research on issues affecting our Great Lakes
