

Academic Skills in the Colleges

Programs, Services, and Supports in Peterborough

Academic Skills instructors support and empower undergraduate and graduate students by providing flexible instruction in the skills necessary for them to succeed at university:

- the ability to think critically,
- communicate their ideas effectively,
- and take responsibility for their own learning.

How can Academic Skills support students in your courses?

"The presentation during lectures and the online resources cleared all my doubts and helped me a lot."

- Instructional workshops and videos tailored for your course
- Tool Kit embedded in your course Blackboard site
- Academic Integrity Module
- 1-on-1 appointments
- Home Room Program
- How-to Guides for writing, citing, and learning

Committed to
student learning,
equity and
accessibility
