

## French Studies at Trent

French Studies at Trent offers an array of courses on Franco-Canadian and francophone cultures and literatures, and French language. With courses from the elementary to the advanced levels, the Department will help you begin, develop, or deepen your mastery of the French language. Courses on the literatures and cultures of Quebec, French Canada, France, and the world's Francophonie, ranging from cinema to science fiction to translation to Indigenous literatures, will provide you with a thorough understanding of the national and international Francophonie beyond the mere mastering of the French language. Our programs will help you become a bilingual, linguistically and culturally aware individual, and shape your future as a teacher, public servant, graduate student, scholar, or global citizen.

These explorations can take place both in the classroom and beyond – through the French Studies Co-op program, you can put skills to action across three paid work terms in professional settings.

## French Studies Co-op

Co-op is an opportunity for students to gain work-integrated experiential learning that will help them get a head start on their career. The French Studies Co-op assists graduating students in achieving a competitive edge while generating experience within a wide range of sectors. Specifically, co-op gives the students a chance to obtain 12 months of practical experience on the job, develop or enhance technical skills, explore career options, network with a variety of individuals and organizations, learn from mentors, enhance communication and presentation skills, and develop technical writing skills.

**French Studies Co-op is a competitive direct-entry program with a limited number of spaces.**

**All co-op students are encouraged to meet with an Academic Advisor for degree mapping and to ensure they are meeting all their program requirements. You can book an appointment on the Student Experience Portal ([trentu.ca/sep](https://trentu.ca/sep)) or by calling 705-748-1011 x7333.**

**Please Note:** Co-op is meant to prepare students for the real-world job application process and as such, the co-op process is competitive and dependent upon many factors including market conditions, the student's efforts to secure a work term, and the academic performance of a student. Every effort is made to find suitable co-op work terms for students, but a work term opportunity cannot be guaranteed for every student. Co-op students will secure positions through successful participation in the co-op interview process and/or their own job search activities. It is preferred that no more than two of the three work terms are with the same employer. Withdrawal from the co-op program will not normally be approved while a student is on a work term.

Students who are unable to obtain a suitable co-op opportunity in an upcoming work term are expected to continue with their academic program on a full-time basis. A missed work term can be made up. If a co-op student is unable to complete three work terms yet otherwise fulfills degree requirements, they will be awarded an Honours Bachelor of Arts in French Studies.

Students do not pay tuition during each work term. Instead, students are required to pay co-op fees plus ancillary fees and levies. The Co-op Assistance Program is available to support students in financial need with co-op expenses. For more information, please reach out to [coop@trentu.ca](mailto:coop@trentu.ca).

**International Students** who are required to complete co-op work terms that are integral to their academic program must apply for a co-op work permit. Please reach out to [internationaladvising@trentu.ca](mailto:internationaladvising@trentu.ca) for more support.

**Students with Disabilities** are strongly encouraged to register with Student Accessibility Services (SAS). Please contact [sas@trentu.ca](mailto:sas@trentu.ca) for more support.
