OBJECTIVE

Lab technician position with ABC Fish Laboratory within Fisheries and Oceans Canada focusing on fish conservation, marine habitat research, and marine population data analysis.

HIGHLIGHT OF QUALIFICATIONS

- Experience in fish sampling, assessments, analysis, and identification
- Knowledge of aquatic lab equipment, computer programs, and scientific procedures
- Ability to self-motivate to work independently and ability to work in a team
- Ontario Boating License, Wilderness & Remote First Aid, CPR-C, and AED Training

EDUCATION

- Bachelor of Science: Biology (Honours), Specialization: Conservation Biology** 2018
- Trent University, Peterborough ON
 - Dean's Honour Roll – for attaining an average over 80% 2016-2018
 - Relevant Courses:
 - Fish Ecology; Ichthyology; Placement in Conservation Biology
- Advanced Diploma: Fish and Wildlife Technology** 2016
- Fleming College, Peterborough ON
 - Dean's Honour Roll – for attaining an average over 80% 2013-2016

RELEVANT LAB AND FIELD EXPERIENCE

- Placement in Conservation Biology**, Trent University (150 hrs.) 2017-2018
- Certified in lake shoreline assessment through training with Love Your Lake
 - Sampled fish communities through collection using seine nets and assessed the community composition
 - Determined the age of yellow perch through scale analysis
 - Monitored water quality using Ontario Benthos Biomonitoring Network, dissolved oxygen, conductivity, pH and flow measurements
 - Benthic macroinvertebrate sampling - collection and invertebrate identification
 - Compiled and manipulated data in computer programs such as Microsoft Excel and Word
- Research Assistant**, Trent University Summer 2017
- Collected data in a lab and used computer programs to analyze and generate reports
 - Ensured that the lab and equipment was organized and in proper working order
 - Completed small projects with minimal supervision
 - Comprehensive knowledge of lab protocol, safety procedures, and SOPs

ACHIEVEMENTS

- Love Your Lake Shoreline Assessment certification; WHMIS Training** 2017
- Ontario Boating License, Wilderness & Remote First Aid, CPR-C, and AED Training** 2016
