

Co-op Process

Why Trent Co-op?

- Students bring strong technical and communication skills
- 4, 8, and 12-month work terms
- Support from our office throughout recruitment and work term
- Opportunity to build your future talent pipeline

Work Term Requirements

- Hired and paid by the employer
- Full-time, roughly 35 hours/week
- WSIB or alternative insurance coverage

Funding

- Hiring co-op students could qualify you for wage subsidy programs like the [The Student Work Placement](#) and [Canada Summer Jobs](#).
- More information at [Trent University's Funding for Employers Page](#)
