

QUARANTINE PLAN

How to Write a Quarantine Plan

Your quarantine plan is your responsibility and is a requirement of the Government of Canada.

All international students attending approved Designated Learning Institutions (DLI's) and intend to travel to Canada, are required to have a thorough quarantine (self-isolation) plan to satisfy current Canadian government travel restrictions concerning COVID-19. As part of the Quarantine Act, travelers to Canada are required to self-isolate for 14 days, provide contact information, and monitor themselves for symptoms. The Government of Canada is strictly enforcing quarantine requirements and failure to satisfy these quarantine orders may result in serious penalties, including but not limited to 6 months in prison and/or \$750,000 in fines.

For more information, please refer to the [Government of Canada guidelines](#) and Trent University's [COVID-19 Information Webpage](#).

This guide is intended to help you develop your personalized quarantine plan.

You quarantine plan should include the following:

1. Information about your suitable place of quarantine.
2. Your direct mode of transportation from the airport to your place of quarantine.
3. Information on how you plan to access basic necessities (food, medication) and services (childcare, cleaning supplies, social or family support, pet care, etc.) without leaving your place of quarantine.

Suitable Place of Quarantine:

- If you are planning on living on campus, you may quarantine in one of Trent University's residence buildings. You must contact [Trent Housing](#).
- You may quarantine at an off-campus accommodation if you can physically distance from others and avoid contact with vulnerable people (people 65 years or older, or people with underlying medical conditions). Public living areas are to be avoided. You can only quarantine with individuals who you have lived together with, in the same household (e.g., family members).
- If you are booking a quarantine package with Trent Housing or the Holiday Inn Toronto Airport East, print out the quarantine package information provided and include it in your quarantine plan for the border agent.

Whether you are living on or off-campus a suitable quarantine space is as follows:

- Must be a space you can separate yourself from others.
- Must have access to essential services (food, medicine, furniture, medical care etc.).
- Is not shared with vulnerable people such as people 65 years or older, or people with underlying medical conditions.

Transportation from Airport to Place of Quarantine:

- You must book your transportation BEFORE departure to Canada and include the information in your quarantine plan.
- Be sure to provide your flight information to your transportation service in case there are any delays.

- If you are travelling with a lot of luggage, you should notify your transport company beforehand so that they can make provisions for you.

Plan to Access Basic Necessities and Essential Services

- Arrange how you will get groceries and/or meals during quarantine.
 - If staying with Trent Housing, there is a meal delivery option.
 - If staying at the Holiday Inn Toronto Airport East Hotel, there is a meal delivery option.
 - Arrange for a delivery of groceries and essential supplies from [Instacart](#).
 - Order takeout food from [Uber Eats](#), [Doordash](#), or [SkipTheDishes](#)
 - Check for additional restaurants that are open and provide delivery in the area.
 - The pharmacy Shoppers Drugmart offers free delivery of prescription medicine and of orders for other items over \$50.00.
 - Have family or friends drop off essential items at your doorstep.
- Ensure your place of quarantine is furnished prior to arrival.

Plan to Access Medical Care

In your quarantine plan, also indicate the nearest medical centre and how you would access care safely should a health professional indicate you should do so safely. While in transit to COVID-19 testing site, students are required to adhere to all safety measures:

- Wear a mask
- Sit in the backseat on the passenger's side (if possible) with windows down
- Practice physical distancing
- Use hand sanitizer when necessary
- Sanitize high-touch areas such as seat belts and door handles
- Touch as few surfaces as possible
- Record taxi driver registration information for contact tracing
- Keep cell phone charged

To Help Reduce the Spread of COVID-19

- Check-in within 48 hours of arrival through the [ArriveCAN app](#) or call 1-833-641-0343.
- Report your symptoms through the [ArriveCAN app](#) or call 1-833-641-0343 every day until the end of your 14-day quarantine.

Please submit your Quarantine Plan to the Trent University Quarantine Registry.

QUARANTINE PLAN

Below is **AN EXAMPLE** of the questions you will be asked to prepare for your quarantine plan. You do not need to fill this form out as you will complete a downloadable quarantine plan electronically in the Trent University Quarantine Plan Registry.

To comply with quarantine (self-isolation) procedures, state your trip details and how you plan to execute it. Be prepared to show it to the Canadian Border Services Agency (CBSA) officer. The CBSA officer evaluating your entry into Canada might ask for additional proof of the information that you provide in your plan.

Use ArriveCAN ([iOS](#), [Android](#), or [web version](#)) to submit information about your quarantine, plan up to 48 hours ahead of time.

Preparations Before Travel

- I confirm that I have checked that I do not have symptoms of COVID-19.
- I have registered my travel plans in the Trent University Quarantine Registry.
- I have planned my trip to my place of quarantine as directly as I was able to without any unnecessary stops.
- I have packed the items I need for my personal care during my 14 days in quarantine including a thermometer to monitor my body temperature and a [non-medical mask or face-covering](#)
- I have downloaded the ArriveCan app.
