

Cupe 2 Graduate Teaching Assistant Positions

Please note that GTA duties for these positions include serving as a seminar leader and providing marking support. Depending on the seminar length, full-time GTAs may be assigned more than one seminar section per term within a course to fulfill required number of hours.

At this stage, you are only indicating your preferred courses/campuses. Seminar section assignments will be determined after course assignments are finalized, and the department will contact you to coordinate seminar schedules and preferences.

Before selecting your preferred courses, please review the seminar times listed at the end of this document to ensure you are available for at least some of the seminar sections associated with the courses for which you are applying.

Fall term (Sept 01/26 - Dec 31/26):

School of Education	Peterborough	EDUC 4050H	Mathematics and STEAM Driven Classroom

New and returning eligible graduate students must submit a statement of interest to be assigned a GTA course position within the Department of Education.

***Statement of interest procedure: Graduate students shall:**

1. Submit a statement of interest by email.

- Submit your statement of interest to educationpostings@trentu.ca from your Trent University email address, if possible.
- Include your top three preferred courses for each term (Fall & Winter) in which you are eligible to hold a GTA in your cover letter and in the body of the email.
- Include your up-to-date cover letter and curriculum vitae (CV).

2. Complete the "Graduate Teaching Assistantship: Supplementary Form (2026-2027)". Ensure the course preferences entered match those listed in your emailed statement of interest. The form may only be submitted once per student.

- The "Graduate Teaching Assistantship: Supplementary Form (2026-2027)" was linked in the "Graduate Teaching Assistantship (GTA) Hiring Process 2026-27" email communication sent by the Office of the Deans of Arts and Science to eligible graduate students.
3. Verify that your selected course preferences do not conflict with your schedule (you do not need to be available for all seminar times listed, but ensure you are not entirely in conflict). Refer to: www.trentu.ca/timetable

August 1st returning GTA preference deadline: The deadline for returning GTAs to indicate course preferences with their statement of interest is August 1st. Returning GTAs receive priority placement. All GTAs are strongly encouraged to submit their statement of interest along with course preferences on or before August 1st.

NOTE: GTA course assignment preferences are not guaranteed and all courses posted for GTA positions are conditional pending budgetary approval and projected enrollment. Eligible graduate students who do not submit a statement of interest including their course preferences, CV, and cover letter will be at risk of forfeiting their GTA position and associated funding. No reasonable attempt should be made by the GTA to respond to communications sent by the Office of the Deans of Arts and Science.

*Please see the "Graduate Teaching Assistantship (GTA) Hiring Process 2026-27" email communication sent by the Office of the Deans of Arts and Science to eligible graduate students for more information on this procedure.

If you have any questions about GTA positions within the Department of Education, please email educationpostings@trentu.ca.
