

Online Tutoring Opportunities in Ontario to Support Learning Recovery

How to Make an Impact for Deserving Students

There are immediate online tutoring opportunities with Teachers on Call to support deserving students who have been identified from vulnerable communities in partnership with select school boards in Ontario. This is to provide 1-on-1 online tutoring for students of all ages and grade levels who have been impacted by the COVID-19 pandemic and require academic support to strengthen their skills.

Our Tutoring Team

Teachers on Call is looking for exceptional teachers and teacher candidates to join the tutoring team. Family owned and operated since 1984, Teachers on Call offers personalized 1-on-1 home and online tutoring for elementary and high-school students in all subjects and grades from K to 12.
