

Sat Aug 9th 2 - 4 pm **Meet & Greet**

This is your opportunity to re-experience Trent and see the evolution of the place you once called home.

Check out the activities listed below!

SELF GUIDED CAMPUS TOUR - Pick up your campus map at the Reunion Information Tent located on the top level of the Bata Library Podium

SYMONS CAMPUS REFRESHMENT BREAKS - Two Refreshment Breaks will be set up where you can meet up with current & former faculty, staff, students and alumni. The locations are:

- **West Bank** – Lady Eaton College Dining Hall - We encourage Champlain College, Lady Eaton College and Julian Blackburn College Students and Arts Programs to meet up with friends here!
- **East Bank** – Gzowski College 1st floor Atrium - We encourage Gzowski College, Otonabee College and Science Programs to meet up with friends here!

TRAILL COLLEGE OPEN HOUSE is hosting a reunion for Traill College Alumni & Students at Scott House – [click here for details](#)

PETER ROBINSON COLLEGE is hosting a reunion with a series of events and activities at Sadleir House – [click here for details](#)

BATA LIBRARY AND TRENT UNIVERSITY ARCHIVES

- Peruse the main floor historical exhibits & displays in the Bata Library
- View the Michael Treadwell Rare Books and Special Collections room in the Archives (1ST floor Bata Library), which houses original Trent furniture, Margaret Laurence's personal library, and other rare and interesting items. [Click here for details](#)

FIRST PEOPLES HOUSE OF LEARNING & INDIGENOUS STUDIES DEPARTMENT DROP IN & INDIGENOUS ALUMNI REUNION

Indigenous Studies is hosting an alumni reunion from 1:30 – 3:30 pm on Saturday August 9th.

[Click here for further details!](#)

Located in Gzowski College, on the Traditional Territories of the Anishinaabe and Algonquin Peoples, First Peoples House of Learning is the home of Trent's Indigenous Studies program as well as the hub of Indigenous academic and cultural activity on campus. FPHL shares a building with Gzowski within a relationship called *Enweying* which means "the way we speak together."

From 2 – 4 pm please visit the following three First Peoples House of Learning locations

- Nozhem Theatre, FPHL 100: A theatrical space used for performances.
- The Ernie and Florence Benedict Place, a.k.a. the Gathering Space, FPHL 102: A common room used as student space as well as for workshops and other events.
- The Tipi: Located in the forested area south of the Gzowski parking lot. A spot for reflection and storytelling.

PHYSICS & ASTRONOMY (Science Complex)

- The Physics Building in the Science Complex will be open to visitors. Follow the signs and chat with former and current members of the Physics & Astronomy Department. For more information, contact physics@trentu.ca.

WATER QUALITY CENTRE (Chemical Sciences Building F101)

- The Water Quality Centre (WQC) is a state-of-the art mass spectrometry facility that currently houses 16 mass spectrometers in a single lab. The WQC specializes in method development and the application of new and innovative techniques for measuring isotopes and trace amounts of organic and inorganic contaminants in water, as well as the analysis of biological material, sediments, soils, fly ash, municipal wastewaters, industrial by-products and process waters.
- The WQC is located in the Chemical Sciences Building, CSB F101. Please wait for an attendant to show you in, as there is a keypad entry system.

TRENT-FLEMING SCHOOL OF NURSING (DNA Building – East Bank)

- The Trent-Fleming School of Nursing is opening up two simulation rooms and one skills lab for the open house.
- Visit the following locations in the DNA building, behind Otonabee College:
 - **DNA C142:** Skills lab
 - **DNA C239:** "Apartment" simulation room, for learning about working with families, managing chronic disease, and inter-professional education.
 - **DNA C240:** "Hospital" simulation room, for learning about postpartum care and complications.

CANADIAN STUDIES DEPARTMENT AND THE FROST CENTRE (Traill College)

- Canadian studies Department and The Frost Centre will be hosting open house and tour at Kerr House Traill College. Join Department Chair Chris Dummitt '92, Professor Emeritus John Wadland and others!
