TWO CAMPUSES: PETERBOROUGH & DURHAM - GREATER TORONTO AREA

Along the banks of the Otonabee River, Trent's Symons Campus in Peterborough enjoys award-winning architecture on a stunning 1,450-acre natural landscape. Peterborough, Ontario has the energy, diversity and resources of a thriving university town, offering boutiques, art galleries, museums, cafés and a vibrant music and performance scene all in a welcoming safe community, just 90 minutes from downtown Toronto. In the Greater Toronto Area, our Durham – GTA campus offers a close-knit community in the City of Oshawa for more than 1,000 students across 10+ academic programs.

PETERBOROUGH QUICK FACTS

CAMPUS

6,854 undergraduate students
482 graduate students
718 international students from 79 countries

COLLEGE & STUDENT LIFE:

GET INVOLVED

YOUR COLLEGE, YOUR COMMUNITY

At Trent, our colleges are communities that promote learning, embrace diversity and lead to friendships that last a lifetime. Made up of classrooms, lounges, faculty offices, dining facilities, residence rooms and more, they are places where students from all years make meaningful connections with each other, professors and staff.

Champlain, Traill, Gzowski, Lady Eaton or Otonabee College. The choice is yours.

trentu.ca/intl/colleges

CAMPUS DINING AT ITS BEST

Dine at any of the four on-campus dining halls or several of our unique cafés and coffee shops. You can select more traditional home-cooked meals or choose from your favourites: Thai Express, Subway, Starbucks and Tim Hortons. Looking for something different? Try the student-run co-operative vegetarian restaurant, The Seasoned Spoon. Enjoy locally-grown food? Some of the foods that we serve on campus are actually grown on campus, too, in the Trent Market Garden. Vegetarian, vegan, and halal options are available.

trentu.ca/intl/diningplans

FOLLOW YOUR PASSION

Whether you are an artist, activist, actor, writer, or student leader, you will find an opportunity to pursue your passions outside of classes too. Meet new friends and explore your interests by joining one of the nearly 100 student clubs and groups at Trent. Can't find one that matches your interests? Create your own. You can do that here.

trentu.ca/stuorg

VARSITY, CAMPUS RECREATION & ATHLETICS

Whether you're interested in competing at the highest level of sport with one of our varsity athletic teams, or simply looking to join in recreational activities and fitness classes, there's something for everyone at Trent. With our state-of-the-art indoor and outdoor facilities, combined with access to the Otonabee River, diverse nature areas and walking trails, you're bound to find your fit with a recreational activity, competitive sporting team or a fitness class that best suits your interests.

trentu.ca/intl/housing

"What I liked the most about being a student at Trent was the freedom that I had, and also all the possibilities and the doors that open once you are a part of this community."

DR. ANDRESSA LACERDA '08, Researcher and Entrepreneur, Chief Financial Officer, Noble Inc., future tenant of Trent's Research and Innovation Park, Trent International alumna

PROFESSIONAL AND SPECIALTY PROGRAMS

"At Trent I wasn't just a passive recipient of knowledge, but rather a co-creator of my own intellectual capacity."

DON TAPSCOTT '66, Trent University chancellor, alumnus, bestselling author and ranked as one of the world's top five business thinkers

SCHOOL OF BUSINESS

Bachelor of Business Administration (B.B.A.)

Successful innovators, leaders, entrepreneurs, business professionals and game changers – this is exactly what Trent prepares our students to be. Through an integrated approach spanning corporate, self-employment, online, small business and non-profit/community models, you will learn fundamentals of leadership management, gaining a deep understanding of the organization of business and its role in a changing world. Choose to focus on one of several specializations, or connect your interest in business with other study areas through Trent's commitment to interdisciplinary learning.

Specializations:

- Accounting
 - Economics
 - Entrepreneurship
 - Ethics and Sustainability
 - Finance
 - Human Resource Management
 - Information Systems and E-Commerce
 - Marketing and Consumer Culture
 - Niigaaniwin – The Art of Leading
- Acquire real-world professional experience through upper-year, for-credit internships, community-based research projects, the Trent Business Students' Association and participate in local and national student business competitions
 - Join a community affiliated with the United Nations Principles for Responsible Management and Education
 - Benefit from the knowledge and expertise of a dedicated alumni community of business leaders and mentors
 - Consider a joint major in Arts & Business or Science & Business

trentu.ca/intl/businessadmin

Human Resources Management

Postgraduate Certificate

Develop new talent. Lead organizational change. Become a Human Resource Management Professional. This is a specialized one-year program ideally suited to graduates of Bachelor's degrees who wish to gain a more applied understanding of how to organize and lead people in today's organizations.

trentu.ca/intl/hrmc

Marketing and Entrepreneurship

Postgraduate Certificate

If you wish to start your own business, market an innovation, or patent a new idea or product, you will explore the strategic implementation of ideas from the incubation phase to the marketplace. This one-year program covers such topics as entrepreneurship, marketing, branding, and advertising.

trentu.ca/intl/mec

Biomedical Science (B.Sc.)

A growing awareness of how the different levels of life interact has brought together the disciplines of biology and medicine and added to our understanding of how these interactions affect health and disease. Students who complete the B.Sc. in Biomedical Science will appreciate that the many levels and approaches to health and medicine are complementary and will be able to apply the principles to assess and solve problems as they relate to real-world health issues. Internships will provide students with opportunities for practical experience in a medical or healthcare related setting, preparing graduates for successful careers in biomedical or applied health research, teaching, or in degree programs in medicine or in the allied health professions.

trentu.ca/intl/biomedical

Computing Systems (B.A. or B.Sc.)

The study of computing and information systems is central to our understanding of how the world processes, manages and communicates information using digital technologies. You will learn to build and use computing and information systems, see things from a broader systems perspective and develop integrated solutions which meet the needs of your users. And you'll learn to appreciate the far-reaching cultural, ethical and legal impact of digital systems.

Specializations: Computer Science, High Performance Computing, and Software Engineering

trentu.ca/intl/cs

Forensic Science (B.Sc.F.S.)

Forensics is the investigative science behind the law. This program combines theory and practice to give you the confidence and skills to excel in this fascinating field. Award-winning faculty and leading professionals bring Trent students an extensive working knowledge of a diverse range of topics, along with current developments in the field. Gain hard skills and real-world experience to prepare for a professional career.

- Access Canada Research Chair in DNA Profiling, Forensics and Functional Genomics, and benefit from Trent's partnership with the Ontario Ministry of Natural Resources
- Hone your investigative skills in blood spatter analysis, finger printing, and evidence recovery in mock crime scenes at Trent's Crime Scene House
- Joint major in Arts & Forensics or Science & Forensics

trentu.ca/intl/forensics

Journalism (B.A. or B.Sc.)

The journalist's role is to tell society's stories to help citizens better understand their world. The fully integrated Journalism program prepares graduates to be informed, critically aware and technically skilled journalists. You will earn a Joint-Major Arts or Science honours degree in Journalism and another discipline of your choice from Trent and an Ontario college advanced diploma in Journalism (Online, Print and Broadcast) from Loyalist College.

trentu.ca/intl/journalism

Kinesiology (B.H.Sc.)

Kinesiology is the scientific study of human movement with a focus on prevention of injury and chronic disease. A degree in Kinesiology will prepare you with the knowledge and skills to become a kinesiology practitioner, able to prescribe individualized exercise programs to improve or maintain the health, functional capacity and well-being of a range of healthy and clinical populations. Trent University is collaborating with UOIT to deliver this comprehensive program with the first two years completed at Trent's Peterborough campus, and years three and four at UOIT in Oshawa. This degree provides you with the skills and knowledge you will need to function as a health professional and write the competency exam to become a registered Kinesiologist.

trentu.ca/intl/kinesiology

Trent/Fleming School of Nursing (B.Sc.N.)

The Trent/Fleming School of Nursing emphasizes a holistic approach to healthcare. Graduates of the collaborative (4 year) and compressed (3 year) programs are well-known as critical thinkers whose compassion and scientific knowledge are rooted in the values of professional and social responsibility. Knowledge and skills are developed through lectures, seminars, case studies, state of the art simulation labs, online coursework and 1,300 hours of clinical practice, starting from year one.

trentu.ca/intl/nursing

Social Work (B.S.W.)

The challenging field of Social Work provides essential supports to communities by helping its individuals, groups and families meet their basic human needs. Through an interdisciplinary curriculum grounded in social justice, human rights and cultural awareness, you will develop a strong foundation of clinical knowledge, critical thinking skills and social responsibility. Students who qualify for the professional years will focus exclusively on social work theory and practice in years three and four of the program, including more than 700 hours of supervised clinical placement.

trentu.ca/intl/socialwork

"Trent has allowed me to discover my passion for mathematics and follow it by offering the chance to take customized advanced courses in areas of mathematics of profound interest to me."

JEET TRIVEDI, Mathematical Physics major, student researcher, admission assistant, Trent International student

STUDY AT ONTARIO'S

#1 UNDERGRADUATE

UNIVERSITY

Trent offers an impressive range of academically rigorous programs across the arts and sciences, as well as professional and specialty programs, with all the benefits of high-quality research and exemplary teaching. Study at the only university in Canada to offer a wide range of joint majors across all disciplines. Combine programs like Business and English, Biology and Forensic Science, Philosophy and Psychology – the possibilities are yours to imagine.

ENHANCE YOUR DEGREE

"I came to Trent because I knew I wanted a different kind of university. My new home was full of friendly and supportive professors and students. In Peterborough, so many people were more than happy to make a young Chinese boy feel at home here in this small town, full of fun and energy. Wherever I go in the world I share my pride in my Trent education."

JUSTIN CHIU KWOK HUNG '76, Sociology and Economics graduate, Trent International alumnus
Executive Director, Cheung Kong Property Holdings Limited

ADD AN EMPHASIS OR AN INTERNSHIP

In addition to unique degree combinations, minors and specializations, Trent also offers a number of emphases and options to give a unique focus to your degree that provides you with an edge in the job market.

You may also enhance your degree through our many hands-on experiential learning opportunities, community research projects, international education experiences and internship programs.
