

TRENT UNIVERSITY

Peterborough • Durham Greater Toronto Area

Seen.
Challenged.
Prepared.

2027

A Transformative Education Asks More.

More curiosity.
More participation.
More of yourself.

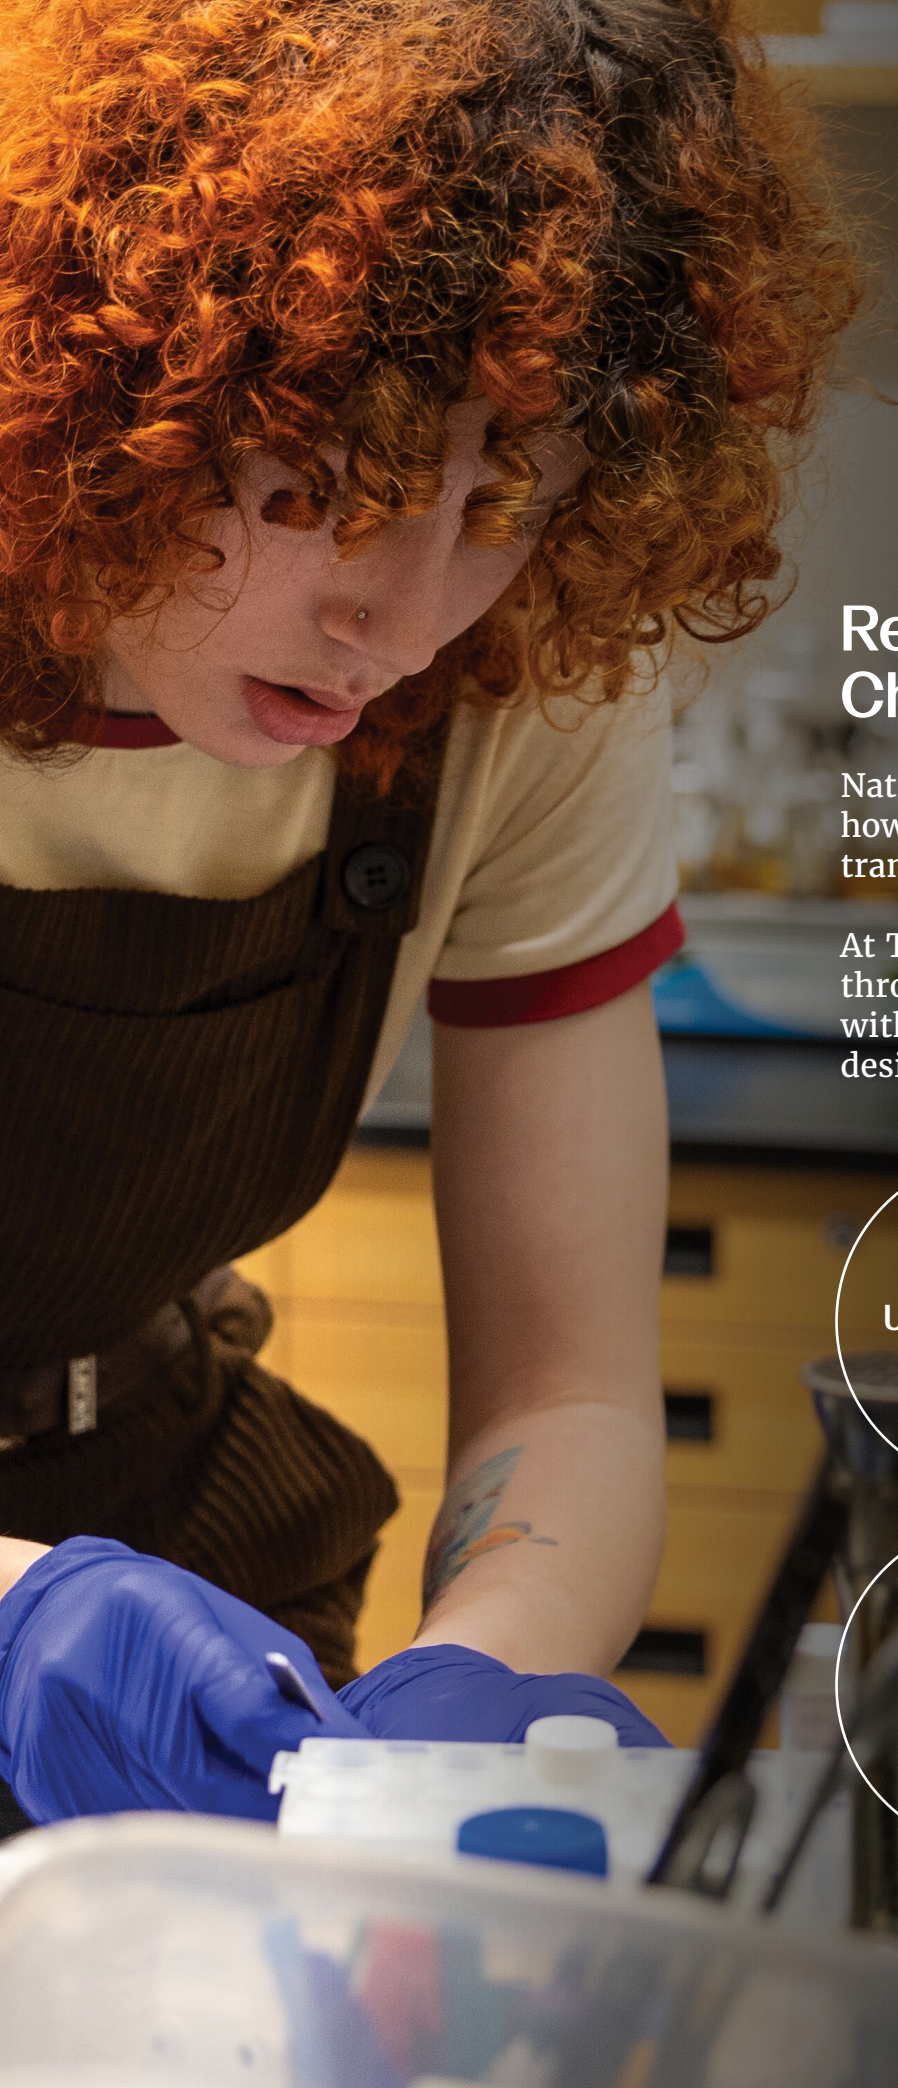

At Trent, learning is active, personal, and deeply engaging. Through dialogue, research, experience, and community, you will be challenged to think critically, explore new perspectives, and develop confidence in your own voice.

You will leave with knowledge, as well as the judgment, confidence, and adaptability to contribute meaningfully wherever life leads.

The lasting impact of your education isn't your degree...

It's the person you become.

Recognized for Quality. Chosen for Experience.

National rankings matter. It also matters how those rankings translate into a transformative educational experience.

At Trent, academic quality is experienced through smaller classes, close connections with faculty, and a learning environment designed around people—not numbers.

PETERBOROUGH CAMPUS

The Space You Need to Grow.

Some places are beautiful. Others make you feel like you belong. At our Peterborough campus, you get both.

This is a place where ideas move as freely as the Otonabee River that runs through it. Where natural beauty meets some of Canada's most distinctive learning environments. Here, iconic architecture, close-knit colleges, and a vibrant city create a place where curiosity thrives and community comes naturally. It's a campus designed not simply for studying, but for becoming.

Connected to Opportunity.

Some students are looking for a close-knit community. Others want direct access to one of Canada's fastest-growing regions. At Trent Durham Greater Toronto Area, you don't have to choose.

Trent Durham is a campus built for connection, where education is shaped by real-world experiences. With one of the best student-to-faculty ratios among Ontario universities, this is a place where your voice matters. Located minutes from downtown Oshawa, near the shores of Lake Ontario, the campus offers a small community feel that is big on opportunity as well as personalized support that defines the Trent experience.

Experience Builds Confidence.

A resume tells employers what you've done. Confidence comes from doing it.

At Trent, you will apply your learning long before graduation through hands-on research, paid co-op, field experience, internships, placements, and community projects. You will lead research alongside professors who are experts in their fields, contribute to meaningful projects, and gain practical experience that strengthens your judgment as much as your resume.

Preparation doesn't begin after university. It begins on your first day.

Your Career Edge

- Paid co-op

40+ Paid Co-op Programs

Put your skills and knowledge to work in one of our paid co-op streams. You'll graduate with a distinct career advantage: valuable connections and up to 12 months of paid hands-on experience, all as part of your degree.

Sample Co-op Schedule

Alternating co-op schedule: 3 full-time paid work terms equalling 12-16 weeks (420+ hours) of real-world experience.

YEAR	FALL	WINTER	SUMMER
Year 1	Study Term 1	Study Term 2	Study Term 3
Year 2	Study Term 4	Study Term 5	Work Term 1
Year 3	Study Term 6	Study Term 7	Work Term 2
Year 4	Work Term 3	Study Term 8	

Co-op work terms vary by program. For specific work terms by program visit trentu.ca/co-opschedule

“Trent students bring a fresh perspective, strong up-to-date skills, and a great critical eye to the team. Their tangible contributions yield real results.”

David Robertson ‘84
President & CEO, Robertson & Co., and proud Trent alum

Thinking Ahead to Grad School? Start Your Master's Early

Pursue an Honours Thesis during your undergraduate degree and fast-track your master's in 12-20 months through our Accelerated Master's pathways. Look for this symbol in the program listing.

Find Your People. Find Yourself.

University is more than where you earn a degree. It's where you discover the people and communities that help shape who you become.

Whether you're joining a club, competing with the Trent Excalibur, volunteering, attending events, or simply spending time with friends, Trent offers countless opportunities to connect with people who share your interests, challenge your thinking, and support your growth.

The memories matter.
The friendships stay with you.

- 01 Take your education global through a study abroad experience. Choose from more than 50 partner universities or design your own experience in one of 35 countries worldwide.
- 02 Student success is at the core of everything we do at Trent. It's why we are ranked #1 in Ontario for Student Services. Wrap-around supports include academic advising, careers, library services, health and wellness, accessibility, and spiritual affairs.
- 03 Defend the River as part of the Trent Excalibur. Student athletes compete at the highest level in Rowing, Rugby, Lacrosse, Soccer, Volleyball, and Curling.
- 04 Whether you're forging new friendships during the Great Race, cheering on our rowers at Head of the Trent or de-stressing during puppy yoga, FUN is on the agenda all year long.
- 05 Research alongside leading profs in cutting edge labs and facilities, including our first-of-its-kind Forensic Crime Scene Facility, Water Quality Centre, Environmental Wind Tunnel, Trent Farm Research Centre, Cognitive Health Aging Technology Lab, and Nursing Simulation Hub.

There's something about this place...

Residence is where lifelong friendships are made and support is just steps away. Whether you're part of Trent's unique collegiate system living in residence at our Peterborough campus or enjoying bright and modern residence spaces at Trent's Durham GTA campus in Oshawa, you will live steps away from dining, study spaces, classes, and the academic and wellness supports you need to thrive.

Trent Residence Advantage

- First year residence guarantee
- Personalized roommate selection
- Free laundry & free wifi
- Fully furnished single and double rooms, suites, and apartment style accommodations
- Wide range of dining options to accommodate your tastes and dietary needs

Explore What You Can Study. Imagine Where It Can Take You.

Discover programs that connect academic learning with hands-on experiences and future career opportunities.

This is a place where questions are just as important as answers, and exploring your interests is part of the journey. Our areas of study are designed to help you find the program that fits who you are, and who you are becoming. No matter which Trent program you choose, you will ask meaningful questions and develop the knowledge and judgment to answer them.

trentu.ca/programs

Humanities & Social Sciences (Arts)

Turn your curiosity about people, cultures, and societies into meaningful work. Combine disciplines and gain hands-on experience while developing the communication, research, and critical thinking skills employers value most.

FEATURED PROGRAMS

English Literature • Sociology • History • French Studies • Anthropology • Communications • Political Studies

Business & Management

Develop the business, leadership, and analytical skills needed to thrive in today's global economy. Through paid co-op, internships, and hands-on learning, you will gain real-world experience while preparing for careers with top employers in business, finance, entrepreneurship, consulting, policy, and beyond.

FEATURED PROGRAMS

Accounting & Economics • Business Administration/Master of Management Fast Track • Financial Science • Supply Chain Management • Business Joint Majors (Trent is one of the only universities to offer them!)

Environment & Sustainability

Study the environment in a place where you'll experience it first-hand. In one of Canada's top 5 environmental studies programs, you will learn on our 1,400-acre campus and in world-renowned facilities like the Water Quality Centre, Wind Tunnel, and Trent Farm Research Centre, gaining hands-on experience to tackle the environmental and sustainability challenges of today, and tomorrow.

FEATURED PROGRAMS

Environmental & Resource Science • Environmental Geoscience • Conservation Biology • Indigenous Environmental Science • Sustainable Agriculture & Food Systems • Water Sciences

Forensics

Develop the scientific and investigative skills to uncover evidence, solve complex problems, and make life-changing discoveries. Gain hands-on experience in Canada's only on-campus Forensic Crime Scene Facility, cutting-edge biology and DNA labs, and through research projects and placements with organizations like the RCMP or Health Canada, preparing for careers in forensic science, biotechnology, healthcare, and public safety.

FEATURED PROGRAMS

Forensic Science • Forensic Anthropology • Forensic Chemistry • Forensic Biology

NOT SURE WHAT
TO STUDY?
START WITH POSSIBILITY.

Trent's Exploration Year is a smart start to university—stay on track and explore your options through this flexible first-year arts or sciences pathway.

Health, Nursing & Medicine

Prepare for a future in healthcare through hands-on learning, extensive clinical experiences, and research opportunities in health focused programs. Gain a competitive edge through Canada's only internationally accredited university Nursing Simulation Centre, specialized pre-med pathways, and unique dual degree program with Swansea University in the UK as you prepare for careers in medicine, nursing, rehabilitation, research, and healthcare leadership.

FEATURED PROGRAMS

Nursing • Biomedical Science • Health • Kinesiology • Medical Professional Stream (a one-of-a-kind preparatory program taken jointly with almost any degree) • Medical Sciences/Bachelor of Arts & Science Dual Degree • Bachelor of Arts & Science/Doctor of Naturopathy Double Degree with Canadian College of Naturopathic Medicine

Indigenous Studies & Canadian Studies

Study at the university that established Indigenous Studies and Canadian Studies and remains a national leader in both areas. Examine the histories, cultures, politics and evolving relationships that have, and continue to, shape perspectives across Canada, while developing the knowledge and leadership skills to advance reconciliation, strengthen communities, and create positive change.

FEATURED PROGRAMS

Canadian Studies • Indigenous Studies • French & Canadian Studies • Indigenous Environmental Studies

Science, Technology & Math

Study in advanced STEM programs where scientific discovery meets real-world innovation. Gain the knowledge to solve complex challenges as well as practical experience through research, paid co-op, placements, and hands-on learning in state-of-the-art labs and facilities such as Trent's Financial Intelligence & Innovation Hub. These programs prepare you for careers shaping the next generation of scientific and technological breakthroughs.

FEATURED PROGRAMS

Artificial Intelligence • Physics • Chemistry • Chemical Engineering: Trent/Swansea Dual Degree • Software Engineering Co-op • Biology • Computer Science • Mathematics

Law & Justice

Explore law, justice, and human behaviour while gaining hands-on experience that prepares you for careers in law, public safety, policy, and community leadership. In these programs, you will benefit from hands-on learning opportunities including paid co-op, community-based research, and workshops, all designed to deepen your understanding of the law and the legal system.

FEATURED PROGRAMS

Law & Arts/Law & Business: Trent/Swansea Dual Degree (earn your B.A. or B.B.A. from Trent and your LL.B. from Swansea University in the UK in just six years) • Criminology • Human Rights & Global Justice

Teaching & Education

Prepare to lead and inspire the next generation by helping learners of all ages reach their potential. At Trent, you will benefit from personalized and collaborative learning rooted in inclusion, social justice, sustainability, and Indigenous Knowledge. Gain real-world teaching and classroom experience through placements and practicum opportunities while building the skills needed for careers in education, child and youth development, curriculum design, and educational leadership.

FEATURED PROGRAMS

Teacher Education Stream • Child & Youth Studies (get a head start on your teaching career through direct pathways into Trent's competitive B.Ed. program) • Bachelor of Education • Indigenous Bachelor of Education

Social Work & Community Wellbeing

Prepare for a career helping people overcome challenges, access support, and thrive in their communities. Through placements and community-engaged learning, you will graduate with practical experience and the confidence to lead positive change in social services, healthcare, education, and public safety.

FEATURED PROGRAMS

Social Work • Gender & Social Justice • Policing & Community Wellbeing

More Than 100 Ways to Begin.

A minimum 70% overall final average, calculated on grade 12 courses, is required. Grade 12 English at a minimum grade of 60% is required, unless otherwise stated. Further program-specific requirements can be found in the admission requirements chart.

Admissions Outside of Canada

trentu.ca/countryrequirements

International Baccalaureate (IB)

A minimum score of 26 in the IB Diploma. Transfer credits will be offered for IB HL courses with a grade of 5 and higher.

General Certificate of Education (GCE)

Minimum 'C' grade in five O-level (or IGCSE) subjects and two A-level (A2) subjects, or minimum 'C' grade in four O-level (or IGCSE) subjects and three A-level (A2) subjects. Two AS subjects may be substituted for one A2 subject. English proficiency test waived with 'C' grade in O-level English. Transfer credits may be offered for A2 courses with 'C' grade or better.

United States Secondary School

Minimum 'B' average (3.0 GPA on a 4.0 scale) in a recognized academic grade 12 program with a minimum of 70% in grade 12 English and at least four different senior-level academic subjects. Transfer credits will be offered for AP course exams with a grade of 4 or higher.

Other International Secondary Schools

For country-specific requirements, program prerequisites, or equivalencies to Ontario curriculum, visit trentu.ca/international/apply

English Proficiency

Applicants whose first language is not English normally need to satisfy English proficiency requirements for admission to Trent degree programs. The following test results are accepted as proof of English proficiency:

- TOEFL: score of 4.5 or higher with a minimum of 4.0 in writing
- IELTS: 6.5, with no band lower than 6.0
- CAEL: 60
- PEARSON PTE (Academic): 59
- Cambridge B2 First, C1 Advanced/C2 Proficiency: 176, with no sub-score below 169
- DUOLINGO: 115
- Oxford English Language Level Test (ELLT): 7, with no band below 6
- LANGUAGECERT Academic (LCA): 70-74, with no score below 65

Scores must be original and official results sent directly from the test centre. Some applicants may be exempt from providing proof of English Proficiency. Applicants who do not meet Trent's English language requirements can still progress to undergraduate studies at Trent through completion of alternate language training pathways through the Oxford International Digital Institute (OIDI) or International Language Academy of Canada (ILAC).

College and University Transfer Students

Trent is one of Canada's most transfer credit friendly universities.

Applicants transferring to Trent University from an accredited foreign university must have successfully completed a minimum of one semester, with a final minimum average of 65% (GPA 2.0) to be considered for admission. Individual courses with a minimum grade of 60% (GPA 1.67) will be considered for transfer credits. Applicants who have completed at least one semester in an accredited foreign community college, with a minimum cumulative average of 65% (GPA 2.0), will be considered for admission. Each course with a minimum grade of 70% (GPA 2.67) will be considered for individual transfer credit.

TRENT UNIVERSITY

Trent University respectfully acknowledges our campuses are located on the treaty and traditional territory of the Mississauga Anishnaabeg. We offer our gratitude to First Peoples for their care for, and teachings about, our earth and our relations. May we honour those teachings.
