How long have you known the applicant?

What are the first words that come to your mind to describe the applicant? _____

In your assessment of the applicant, please reflect on the following aspects:

a). **Academic performance:** please describe the applicant's academic work and intellectual qualities, including the applicant's motivation, originality, intellectual breadth or depth and capacity for independent thought.

b). **Extra-curricular activities, community involvement:** please provide us with information on the applicant's involvement in extra-curricular activities, community events, leadership skills, special talents, creativity and enthusiasm.

c). **Personal characteristics:** please comment on the applicant's personal qualities, including his/her ability to adjust to a new academic and cultural environment, and any characteristics that distinguish the applicant from others.
