TWO INSPIRING CAMPUSES TO CHOOSE FROM

Peterborough Campus

Trent’s Peterborough Campus provides a spectacular natural backdrop for tomorrow’s groundbreaking ideas. Just 90 minutes from downtown Toronto, our Symons Campus offers an impressive range of academically rigorous programs across the arts and sciences, as well as professional programs in business, law, medicine, the environment and more. Here, academic excellence combines with state-of-the-art facilities, opportunities to get involved and robust career experiences in a personal close-knit community to create a truly transformative student experience – all in a vibrant and safe city.

90 minutes to downtown Toronto

Durham Greater Toronto Area Campus

At Trent University Durham, your education unfolds on a personal scale. Learn from expert faculty and researchers who are dedicated to teaching students across unique undergraduate and professional programs that combine the latest in theory and practice. If you value a close-knit, scholarly community in a diverse, urban environment, our Greater Toronto Area campus is just what you have been looking for.

40 minutes to downtown Toronto

Trent’s close-knit communities are conveniently located in close proximity to Toronto – Canada’s largest metropolis. Major urban centres including Ottawa and Montreal are also nearby.

OFFER COURSES WITH
HANDS-ON CAREER EXPERIENCES

INTERNSHIPS, PLACEMENTS & CAREER EXPERIENCE

Looking for real-world experience? Look no further. Life lessons gained through experiential learning are paramount to the Trent experience. In fact, here at Trent, **every student is guaranteed to have meaningful, purposeful, and recorded career experiences** that will contribute to your success as you enter the workforce. Gain experience through co-ops, internships, field placements, research and in-class learning.

Co-operative education

With competitive co-op streams in popular programs including Computer Science and Conservation Biology, students get hands-on with organizations like the Ministry of Natural Resources and Forestry (right here on campus!), Parks Canada and conservation authorities.

Internships

Trent students in virtually every program can earn academic credit in a variety of hands-on learning settings throughout Ontario and beyond. Our internship and placement programs offer students the chance to translate your academic knowledge into career-boosting experiences.

At Trent, you will gain career experience through:

- Co-operative education (Co-op)
- Internships
- Field placements
- Professional practicum
- Research with leading faculty
- Applied research
- In-class experiential learning (simulated workplace, labs, case studies)
- Workplace projects
- Job shadowing

Research: Apply your knowledge

Conduct hands-on research with leading professors and researchers starting as early as your first year – assist in archaeological dig in Belize, work alongside leading researchers in labs across campus, or lead a community-based research project with a local business or organization.

Learn in leading-edge facilities

Many courses at Trent have experiential learning built in. Financial Sciences students utilize industry standard software through in-class analysis and Environmental Studies students learn the basics of conducting an environmental audit right here on campus. Are you a Nursing student? Build your confidence and skills through hands-on learning in the Trent Simulation Hub – the first internationally-accredited university simulation centre in Canada.

INTERNATIONAL STUDENT SUPPORT

We're here to help. The team in Trent International becomes a home-away-from-home for students offering support with housing, immigration, advising, health insurance and everything in between.

MAKING CONNECTIONS

So much more than just four walls with a bed, your college residence is also a real (and virtual) community and place of identity. The experiences you gain in your college will stay with you for the rest of your life.

1,000+
INTERNATIONAL STUDENTS
FROM 120 COUNTRIES

"What Trent taught me was that, if I wanted to be great, I needed to stand up and stand out. Trent taught me the power of speaking up, regardless of what it was."

Anita Erskine, International Influencer

One of the most influential women in Africa and one of the most inspirational Ghanaian public figures, Anita is also a Trent alumna. Wearing a host of hats, she is a strategic communications specialist, broadcast journalist, television producer and host.

"Being an international student, I've always wanted to experience more Canadian culture, and Trent was the best fit. My experience so far has been the best. I have met so many friends through this journey, the school also offers a lot of support for international students, and my professors are very approachable compared to a bigger school, which makes my study much easier."

Jiahe Fan from China
Business Administration Graduate

"The Trent International Students Association along with the Trent International office becomes a safe and welcoming place for everyone. Offering food and entertainment from around the world in a range of diverse events, to supporting each and every student that is in need of help."

Ashish Tharoor from Dubai, UAE

Political Studies Student, President, Trent International Students Association (TISA)
