Search for courses in your program offered for the term

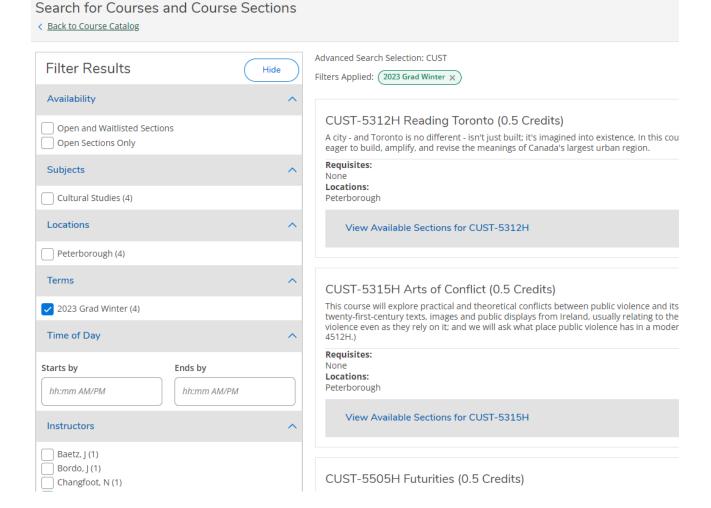

1. Within Self Service, select Course Catalog

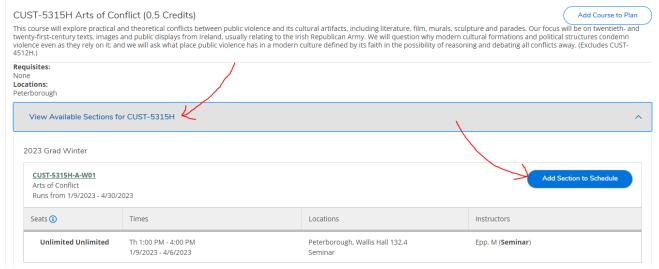

2. Use the Advanced Search feature to Select Term and Courses and Sections. Reminder: use Grad Terms for all graduate course activity

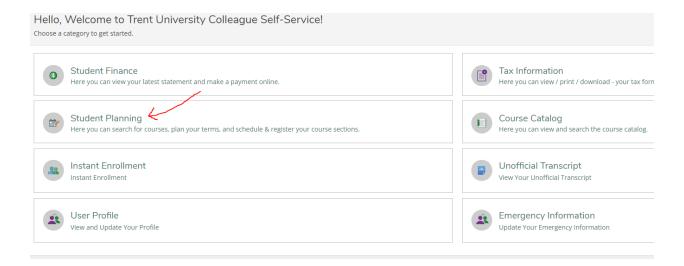

3. Use filters to view available course search results

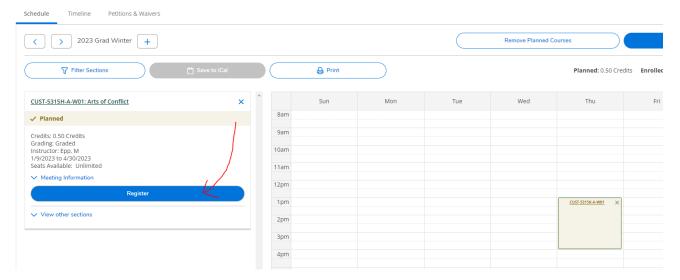

4. View Available Sections for each course. Add Section to schedule to select for registration.

5. From the main menu, select Student Planning

6. The course(s) chosen will now appear on your schedule. Register for your course(s).

7. When successful, the registered course will appear in green. If registration was not successful, a message will appear with reason.
