NEW TWO (2) STEP APPLICATION PROCESS FOR STREAMLINED CANDIDATE EXPERIENCE

To ensure a streamlined candidate experience, the 2027 competition adopts a new two (2) step application process that begins with an [eligibility assessment](#). Eligible candidates are:

- PhD students in Social Sciences and Humanities,
- Whose research is aligned with Foundation's [four founding themes](#),
- Canadian students enrolled at a Canadian university or at a university abroad, OR international students enrolled at a Canadian university,
- Applying whilst in the 1st or 2nd of PhD program

Once eligibility is confirmed, qualified students will access the full application form to continue with the 2027 Scholarship application process.
