WELCOME TO RESIDENCE AT TRENT UNIVERSITY

On behalf of the Housing Services team I am pleased to welcome you to your new home for the 2021-2022 academic year. During your stay with us, you will have opportunities to make life-long friendships, get involved in residence and college life, and discover yourself through your academic and non-academic pursuits.

This Guidebook is designed to assist you in getting to know your community, and within you will find valuable information about your college, safety procedures, policies, and contact information that will help guide you throughout the year.

Living in residence means being part of the incredible Trent community. You are joining a diverse community of people with similarities, differences, preferences, needs and beliefs. Part of the journey will be about becoming an integral member of our community, where you have influence on, and ownership of, its development. Housing

Services embraces, appreciates, and celebrates the diversity of our students and fosters an inclusive community within the residences. Every person has equal worth and deserves to be treated with dignity and respect. Discrimination and harassment have no place in residence.

All of us have a responsibility to contribute to creating and upholding an inclusive, respectful, and strong residence environment. As a resident, you will have choices about how you will experience your time with us, and each resident bears the duty to understand how their choices impact the community. The Housing Services team is here to assist and support you in making choices to ensure you can be successful and overcome challenges you may face.

If you have a question or concern, please don't hesitate to reach out to any member of the Housing Services team. We are always happy to help.

I wish you the very best for the upcoming academic year.

Jen Coulter,
Director, Student Housing
& Residence Life

The Housing Services team is excited to welcome you to your new home!

"I love living in residence at Trent University because students are provided with opportunities to engage with their residence college and the Trent community. Trent residence helps students make a smooth transition to the biggest challenge that university presents – living away from home!"

– Sara Beech, Otonabee College

WHAT IS A COLLEGE?

A college is your home away from home.

Trent University has five colleges: Catharine Parr Traill College; Champlain College, Lady Eaton College, Otonabee College, and Peter Gzowski College. A college is more than a residence building; it is a place where you can grow, learn, thrive, connect with upper year students, and stay connected once you have moved out of residence.

Each of the Colleges has its own unique personality and architecture. You'll find that students at Trent are passionate about their affiliations and these carry through to graduation; students remain affiliated with the college they called home in first year. As you meet new students, and Trent University Alumni, the first question they will often ask is, "So, what college are you?"

Residence Life Staff, alongside the staff and student volunteers of the College Office, work to create a smaller, more intimate community within the Trent Community as a whole. You'll see that this spurs rivalries, competition, and collaboration with the other colleges, which reinforces your passion for your home college and solidifies that your college is your home away from home.

The ability to change affiliations is possible if you think you might identify better with another college; the form to do so can be found through myTrent. Many different people have many different opinions about which college is best, but know that all of Trent's colleges are equal in their glory, simply because they are, together, a major facet to what makes Trent University so amazing!

What do the colleges have to offer?

The Colleges offer many resources, ways to get involved, and ways to advocate for student issues. The five College Offices offer services such as academic advising and academic skills. The College Principals and Principal of Traill College have their offices in the College Offices. The College Heads and Principal organize events, support student leadership initiatives, and collaborate with other student services to create community building opportunities within the College.

The College Office also hosts a series of student employees and volunteers who facilitate college life and program events specific to your college. These students, like Dons, receive training on how to answer your questions and assist you with whatever it is you need, whether it be some help finding a class, or someone to talk to during a rough time.

Each of the colleges also has its own student governing body known as a College Cabinet. Each College Cabinet has elected volunteer positions where students can run events to foster community building and vote on committees to foster positive change. Through services offered, as well as volunteer and employment opportunities, the colleges are a great place to start if you are looking to get involved and stay passionate about your college community.

YOUR EXPERIENCE

GETTING INVOLVED

College Residence Council

Residence Council is an opportunity for residents to engage with and meet new people in your residence while planning and implementing events. Run by the Senior Don, Residence Council meets regularly to plan events and co-coordinate the Excalibur Residence Cup. Being a member of Residence Council has a lot of benefits in that the student volunteers will develop their event planning and leadership skills along with their time management skills, organizational abilities, and gain strategies to successfully work as a team. These skills are useful to succeed at Trent and into your career! Members of the Residence Council can also gain recognition for their efforts through Trent University's Co-Curricular Record.

Living Learning Communities

Living Learning Communities are themed living environments that provide students the opportunity to live with students who share similar interests or academic major.

- **Active Living Community**

This community is designed for students who share an interest or a passion for being physically active, exploring and adventure. Champlain College is known for their rich spirit of adventure, discovery and global citizenship – making it the ideal home for students with these interests.

- **Global Living Community**

Members of this community will be encouraged to be open to different ideas and opinions regarding world issues, all the while challenging their own assumptions of what it means to be a global citizen. A great community for students who are studying International Development Studies, have an interest in studying and living abroad, have experiences living internationally, and a general interest in our impact on a global scale.

- **Forensics Community**

Designed to engage, excite, and inspire, this community will provide opportunities to

participate in forensic-related experiences and connect with faculty and your peers. Students in this community share a passion for forensic science and comparable educational and career goals. Join this community to advance your educational interests and sense of community within the Forensic Sciences programs at Trent University.

"The Nursing LLC provides students with an opportunity to get ahead of the game and build meaningful connections with faculty, campus partners, and each other. It creates a supportive environment that will be your home away from home!" – Andriy Palyukh, Nursing LLC Don 2018-2020

- **Environmental Sustainability Community**

Members of this community share a strong passion for 'thinking globally and acting locally.' Through a connection to the School of the Environment and Sustainable Trent, students will learn more about environmental issues that they are passionate about in a forum where they are encouraged to evoke change. The Environmental Sustainability Community takes to heart what it means to bleed Trent green

- **Business Administration Community**

Within the business world, there are several pathways a student will consider when choosing their emphasis for their studies. This community will connect students with upper year students, faculty and staff within the School of Business to explore valuable experiential learning opportunities. Students enrolled in programs with the School of Business are encouraged to consider this Living Learning Community their home.

- **Endahying Community**

Meaning "Our Home," the Endahying Community provides a space for students to grow through shared experiences, storytelling and exploration of Indigenous knowledge and understanding. Students who have an interest in Indigenous culture and knowledge, identify as being Indigenous and/or are enrolled in the Chanie Wenjack School for Indigenous Studies, are encouraged to consider this community their home.

- **Creative Expressions Community**

Members of this community share a passion for the visual and performing arts. Past members have shown an interest in music, painting, dancing, theatre, and writing (to name a few). This community provides students with the unique opportunity to connect to and collaborate with other students who share a passion for creativity.

- **Leadership and Civic Engagement Community**

Students who share a passion for leadership and positively contributing to the communities around them will find a natural fit in this community. Trent University has a long history of producing Alumni who are engaged citizens and students in the Leadership & Civic Engagement Community are a part of this rich history.

- **Nursing Community**

Students enrolled in the Trent-Fleming School of Nursing programs and show interest in exploring nursing in depth by connecting with peers and faculty, have found much success in the Nursing LLC. Together, this group of dedicated students are provided an avenue to take their learning beyond the classroom and engage with it at a deeper level for continued academic success.

- **Trent Swansea-Law Community**

In Peterborough, all law dual degree students call Traill College home. More than just classrooms and residence spaces for law students, the Traill experience brings the study of law to life. The Trent-Swansea Law learning community is designated for students of the Law-Arts or Law-Business dual degree programs, with the goal to establish their cohort and support one another while studying at Trent University and abroad at Swansea University. Applicants to the Trent-Swansea Law Living Learning Community must be enrolled in the Trent-Swansea Law Arts/Business dual degree program to live in the Traill Law Community (TLC).

CATHARINE PARR TRAILL COLLEGE

#TraillWow! One of Trent's original colleges and the only college located in downtown Peterborough, Traill is a community of forward-thinking and creative "Traillblazers."

Named after nineteenth-century author and naturalist Catharine Parr Traill, our College is a student oasis situated five minutes away from the centre of Peterborough. The College feels like a small university within the larger university and that's the point. Here, students may lose themselves in their books, but they will never be lost in the crowd! Traill has great spaces, including modern residences, lecture halls and study nooks, and a traditional college library. Traill's identity is also closely linked to the departments of English Literature, Canadian Studies, Cultural Studies, Media Studies and Law that call the college home. Most importantly, Traill has great people who look out for each other, learn together, and have a lot of fun at the same time.

A downtown hub, Traill is a place where students of all years of study congregate together to create an environment where diversity and blending of ideas thrive.

DINING AT TRAILL

Located in downtown Peterborough, Traill College offers both the perks of home-style meals and dine-out culinary adventures. With an intimate on-location eatery and many local restaurants just minutes away, Traill offers an exciting culinary experience.

Traill students get access to \$1000 Trent Cash that they can use at many local restaurants and popular chains to diversify their dining!

"Traill is non-conforming. It has always had a rambunctious spirit, and that gives it a fun atmosphere as well, because Traill does get to be quite different. Traill has smaller buildings, a small café, and it's just a good place to meet and be met."

Champlain College

Collège Champlain

“Across campus, Champlainers are definitely known as the energetic ones. Home to many international students, Champlain also has a rich cross-cultural community, and is really inclusive. All of this allows those who are part of the college to discover the world differently: through connections with people from diverse backgrounds.”

**JOSE MIGUEL
CAPILLA BAGATELLA,**

School of Business student
from Mexico

CHAMPLAIN COLLEGE

At Champlain College, we find the right balance between academic excellence and a loud, proud spirit. Our namesake Samuel de Champlain recognizes his travels through the region and is a symbol of close relations with Québec and the blending of cultures and traditions. As our motto, his words *“continue mes découvertes”* (“continue my discoveries!”) reflect the possibility and wonder of life as a Champlainer.

Champlain is a monument to Canadian architectural design that offers a haven for solitary study and a stirring setting for building community. Champlainers hold close their college traditions (broomball at Bon Temps Winter Carnival anyone?) and champion strong values through active living and global perspectives. Diversity rules at Champlain, as the home to Trent International and the Study Abroad office. Our academic programs include International Development Studies, Politics and the many majors encompassed in the School of the Environment. Whatever your major, at Champlain we welcome Discovery, Adventure, Reflection, and Engagement (epitomized by the beloved Pax, a six-foot fibreglass Gorilla who appears at most of our College events).

DARE to be Champlain.

DINING AT CHAMPLAIN

Champlain offers an impressive array of local and global food options. The Ceilie is a licensed restaurant where you may find yourself enjoying a relaxed meal, or grabbing a pint with your prof after class. Thai Express gives you that on-the-go travel option. Seasoned Spoon is a vegetarian-based student-run café, taking many of its ingredients from right here on campus. 100 mile diet? More like 5 mile diet (or less!).

Eating your way through the vegetable patch and around the world won't increase your environmental footprint either as Champlain College is Fairtrade Certified.

PETER GZOWSKI COLLEGE

Gzowski College is named after distinguished Canadian broadcaster and former Trent Chancellor, Peter Gzowski (pronounced *zaw-skee*). Adored by Canadians, he was most famous as someone who listened and welcomed conversation and diverse opinions. That makes it appropriate that Gzowski College is housed within Trent's Enwayaang Building, an Anishnaabek word meaning "the way we speak together."

Indigenous knowledge is central to our spirit and influences our programming and collaborations with departments in our collegiate community – the First Peoples House of Learning, School of Business, Departments of Economics and Mathematics, Office of Research and Innovation, and the Chanie Wenjack School for Indigenous Studies. Field trips, craft fairs and community lunches are held alongside guest lectures and workshops to support our students' academic development, career aspirations, leadership and sense of belonging. Our Enwayaang building (affectionately called "the Big Cheese") is known for its bright yellow colour, "Ochre Number 33."

Listen, share, "speak" and learn with us. We move into the future speaking together.

DINING AT GZOWSKI COLLEGE

If you care about the consequences of your consumption, choose to dine at Gzowski College, home to the only 3 Star Green Certified restaurant on a university campus in Canada. The chefs at Gzowski College treat students' taste buds to homestyle meals comprised of locally-raised protein and veggies grown right here on campus. From homemade sandwiches and organic salads, to vegan soups and gourmet meals, Gzowski's best meal options are made with local ingredients. An added bonus? Over one-quarter of the meals served up at Gzowski's dining hall are vegan.

Don't miss this! Once a month, the Gzowski College café treats students to an all-out premium meal! Lobster tail, prime rib, and steak, they do it all!

Peter Gzowski College

"At Gzowski I have built lifelong friendships and professional connections that I would not have otherwise. These opportunities have shown me who I am and Gzowski truly has become a part of my identity. I fully agree with the college's motto that the minds of the future are made great, beginning today."

LADY EATON COLLEGE

At Lady Eaton College, tradition meets youthful passion in a welcoming, energetic community that bursts with “LEC” pride and the spirit of Gemütlich (a warm, friendly place where you feel comfortably at home and surrounded by friends). Our namesake is a brilliant and inspiring Canadian, Lady Flora McCrea Eaton, who challenged us to “Have an open mind, trust, learn every day, and keep doing it as long as you live.”

Truly interdisciplinary, our programs include the Medical Professional Stream, History, Philosophy, Social Work, Ancient Greek and Roman Studies, French, and Gender and Women’s Studies. And, yes, it all takes place in a triumph of modernist architecture, artfully designed to sit snugged in a breathtaking natural setting. We affectionately refer to LEC as “Toad Hall” and we are known for our Great Toad Hunt whose secret traditions have been passed on to LEC members for 50 years.

LECs live the motto in our heraldry, Sapiencia et Humanitas, striving for wisdom and humanity in all that we do.

DINING AT LEC

At the LEC dining hall, sustainability is key. We are proud of our 1 Star Green Certified restaurant status. Here, your LEC dining experience combines great taste with positive environmental impact, including efforts to reduce waste and conserve water. All dietary restrictions are also accounted for with plant-based options for vegan diners, as well as halal, nut and seed specifications. Combine all of this with a space that has spectacular outdoor courtyard views and it won’t be long before you are dining as comfortably here as you do at home...maybe more so.

trentu.ca/colleges/lec
trentu.ca/housing

“My favourite part of LEC? The way the sun shines through the vines on residence windows, the smell of coffee and hash browns reaching every corner of the building in the morning, the sound of drums in the music room, and knowing you’ll pass at least one person you know on your way to class.”

GYTHA CHAPMAN,
Philosophy graduate

OTONABEE COLLEGE

At Otonabee College, we agree with the ancient saying that you cannot step into the same river twice – because it is always changing. Our motto, *tempora mutantur nos et mutamur in illis* (the times are changing and we change with them), inspires OC students as they lead change with heart. Their passion exemplifies the name of our river and our college – “the Otonabee” – an Ojibwe word meaning “the river that beats like a heart.”

Proud to be Trent’s largest college, OC welcomes a diverse group of learners, researchers, and practitioners to its picturesque home atop the ridge of the East Bank. Civic engagement, scientific and technological discovery, digital innovation and change for a better world infuse our programs in Nursing, Education, Forensics, Psychology, Computer Studies, Anthropology and Sociology.

Watch for our college mascot Ottie the Otter at the many College events we hold throughout the year. And follow the adventures of the Betties – our resident family of groundhogs on Instagram!

DINING AT OC

If you’re a foodie who loves classics, then Otonabee is the dining place for you. Home to a Subway, Tim Horton’s and Pizza Pizza, the OC caf gives you access to a range of familiar and finance-friendly menu options. When you’re craving something unique, Otonabee’s dining hall also dishes out a taste of home. The café develops a changing menu with a range of sustainable and customizable food options based on student dietary needs.

trentu.ca/colleges/otonabee

“If you think of Trent’s colleges as cities, Otonabee College would be Toronto. There is always something happening. In the hallways you will always find different student groups and community partners promoting events and exciting ways to get involved. At OC, you have every opportunity to dive headfirst into the fantastic, close-knit community of dedicated and passionate people here.”

Bikes

There is plenty of bike storage across campus with bike racks stationed outside of most main entrances. Unfortunately, there is no storage available within the residences or other campus buildings.

Fridges

Many of our students choose to rent from the Coldex Fridge Rental Company. Coldex provides mini fridges of a variety of sizes that have all been approved by Ontario Universities. Once your reservation and payment has been made, Coldex will have your fridge delivered directly to your residence room! Coldex is also responsible for picking the fridges back up at the end of the school year making your move-in and move-out procedure as simple as possible.

To book your fridge, please follow this link: coldexrents.com/school/trent

Decorating

Every student wants to make their residence room their own with a variety of decorations. We encourage students to make their residence room feel like home, and we do have some criteria that we wish for students to follow when adding decorations to their rooms by asking that students use removable adhesives when hanging posters and pictures on the walls.

Sticky tack and removable LED lights should not be used as it does damage the walls. If you do put up hooks, like command hooks, they must be removed before moving out.

Room Inspections & Damages

When you move into your residence room, you have 48 hours to fill out a room inspection form online. You can find it on MyTrent -> Supports -> Housing -> Housing Portal. This allows you to mark any damage or concerns in your room so our facilities team can follow up. If you

do not fill out this form, your room will be determined to be in good condition upon moving in.

An inspection of your room will be completed by Housing Services staff once you have departed from residence to assess the cleaning conditions and identify any damage or maintenance concerns. Additional charges related to the cleanliness concerns, damages, or concerns with the contents of the room (i.e. missing furniture), may be added to your student account. If you receive a damages email upon moving out of residence, an appeals process will be outlined to you at that time.

Roommates

Trent University's residences have traditional and suite style rooms, so for many students, living with roommates is a reality.

We recognize that in some cases conflicts do arise, and we have a series of steps we follow to mediate them to improve your experience.

One method of prevention is to make a roommate contract. This is an agreement all roommates develop together, sign and follow to ensure a positive residence experience. Breaking this contract can lead to personal meetings with a Don, personal meetings with a RLC, and a more formal community support process if the contract is continually ignored.

Under extreme cases, room changes may be facilitated to ensure the wellbeing of all roommates. It is encouraged that roommates address concerns with each other in a constructive way, but roommates should also make their Don aware of roommate conflicts as some specific conversations may need to take place.

Check-Out Procedures

Mid-Year

Once a student has filled out the residence cancellation form on the Housing Portal, all personal belongings must be removed from your residence room, including garbage. When you are ready to leave, please go to the Service Centre closest to you and one of the Service Centre Assistants will help you. You will bring your keys back to the Service Centre, and the staff will complete the check out process upon your departure. An inspection of your room will be completed after your departure from residence to note any damages, cleaning required or missing furniture/items.

End of Academic Year

When moving out at the end of the school year in April, instructions will be provided by your Residence Life Don and Residence Life Coordinator. All personal belongings must be removed from your residence room, including garbage. Further instructions on how to check out and the process in which to return your keys will be provided in late March. An inspection of your room will be completed after your departure from residence to note any damages, cleaning required or missing furniture/items.

Cleaning & Maintenance

All measures and directives are and will be guided by public health advice, and in accordance with appropriate federal and provincial government directives. Housing Services is and will continue to provide regular cleaning and maintenance services to all public/shared spaces within residence. There will be a particular emphasis on high-touch surfaces for cleaning.

Students within our suite style residence buildings will be required to clean their spaces within their unit, however, maintenance services will still be provided.

Signage and educational materials, such as cleanliness guidelines for students, will also be placed around all residence spaces and provided by the Residence Life Dons to educate students on proper cleaning and hygiene, while highlighting appropriate physical distancing in a residence environment.

Housing Services will be increasing hand hygiene stations across residence buildings and will take further precautions that follow appropriate physical distancing measures and directives.

Laundry

Laundry facilities are available to students in each residence free of charge. Students are responsible for providing their own detergent and laundry softener.

Submitting a Residence Maintenance Request

If you notice any facilities concerns in your building, residence community, or residence room, complete a Residence Maintenance Request Form through the Housing Portal which is accessed through MyTrent. The Housing Portal icon is located under the Support Tab in the Housing Services section. When you open the link, it will take you to the Housing Portal where you will be able to access the Residence Maintenance Request Form.

Student Accessibility Services

Trent has a human rights obligation to accommodate students with disabilities (e.g. hearing, visual, learning, mental health or mobility). Trent's Human Rights Policies and Procedures are intended to reflect the university's response to the Ontario Human Rights Code and the Canadian Charter of Human Rights and Freedoms.

All members of the Trent community have a responsibility to ensure that students with disabilities are accommodated. For faculty and teaching assistants, this means providing test/exam and other academic-related accommodations to students with disabilities whose needs have been duly assessed and approved by SAS.

Who we are & What we do

Student Accessibility Services (SAS) is a team of interdisciplinary professionals who provide support to students with disabilities through one-on-one advising, referrals to campus supports, and adaptive technology. SAS supports include:

- Developing individualized accommodation plans for registered students;
- Working with students to develop approaches and strategies that use students' strengths to help them engage with their coursework;
- Offering support through an Adaptive Technologist, using a hands-on approach which allows students to learn how their technology works and how it can be used in their studies;
- Directing and connecting students to appropriate campus resources.

Medical Emergencies

Medical emergencies are taken very seriously in residence. All Residence Life Staff are trained in First Aid and CPR and are ready to help in crisis situations. Trent University also has a series of on-campus services that can assist in medical emergencies. Students are advised to use their judgement when responding to a medical emergency, calling 911 is always a first priority.

After calling 911, call Trent University Campus Security/TUEFRT and/or the Don Support Phone to ensure the professional EMS staff is guided to the student needing assistance. A resident should only attempt to help directly if they are sober, fully qualified, and feel confident to do so. It is advised that students maintain regular appointments with a doctor (these can be arranged through Trent University Health Services) and notify their Don of any medical conditions they have or accommodations they require. The best way to avoid an emergency is to be proactive and aware of risks in advance.

Fire Safety

All Trent University buildings and all residence rooms are equipped with fire detection systems. Each building has slightly different fire detection and alarm systems and these include at least one of: fire alarms, sprinklers, smoke detectors, and/or heat detectors. Some residence rooms also have accessible systems present that can alert students who are not able to respond to traditional fire alarming systems. The fire evacuation process is very simple at Trent University.

If you see a fire, trigger the alarm, and if you sound the alarm evacuate the building, call campus security and/or Don Support Phone. Note that this also applies to residence fire drills.

If you refuse to leave a building during a fire alarm or fire drill you are breaking the law and as a result

you may receive serious fines from the fire department and/or serious residence outcomes under the Residence Standards. If your accessibility needs make it difficult for you to exit the building in case of fire (Example: you are not able to access an elevator) an individualized plan will be designed and followed.

What to do if a fire is present:

- If the alarm is not sounding and you see fire, sound the alarm
- If you sound the alarm evacuate the building, call Campus Security and/or Don Support Phone and notify them of where the fire is; security will need to direct the fire response team to the appropriate area of campus
- If you hear the alarm anywhere on campus leave the building as soon as possible, close doors behind you but do not

Trent University Emergency First Response Team (TUEFRT)

TUEFRT consists of a number of volunteers who are on call 24/7 during the portions of the academic year when Trent University is open. These volunteers receive very intensive training in emergency medical response and crisis response and can respond to a medical emergency anywhere on campus in a matter of minutes. TUEFRT is often one of the first responders to a medical emergency and will either treat a student themselves or forward the student's care to the appropriate authorities such as local Emergency Medical Services.

TUEFRT: 705-748-1333

lock them in case the fire department needs access to that room

- Evacuate to an area a safe distance from the affected building and make sure your evacuation is not a podium or roof of a building
- Follow the instructions of security and present residence life staff, they will be wearing clothing to identify themselves (vests/jackets) and are trained on safely evacuating students, if weather is not ideal for standing outdoors, they will work on gaining access to a nearby, unaffected building
- Do not enter the building on fire or in which the alarm is sounding until it has been deemed safe by the fire department and until residence life staff allow you to enter.

Campus Security:
705-748-1333

In order to ensure that residences are at as low risk for fire as possible, there are very specific policies surrounding fire safety present. These include information on the prohibition of smoking in residence, the propping of fire doors, burning of substances in residence, tampering with fire safety equipment, etc. Please review these policies before moving into residence, as fire safety is all about prevention and requires an active effort on our side and yours.

Residence Security

Trent University Campus Security

Trent University has its own Campus Security staff. This team works together to make the campus one that is safe for all those who attend, live at, work at, or visit Trent University. Trent University Campus Security has staff on call 24/7, 365 days a year. Whenever you are on campus, whether it be during the academic year, during the summer, or when the University is closed on Christmas Day, Campus Security is never more than a call away.

Peterborough Campus Security can be reached at:

705-748-1333 (Emergency)

705-748-1328 (Non-Emergency)

Campus Security is dispatched to all medical emergencies on campus in case EMS needs to be contacted and guided to the specific area of the student. Campus Security also works alongside the Residence Life Staff, to facilitate conversations about drugs in residence and address people who are present in residence but shouldn't be. The Security staff are highly trained in their field and are a great campus resource. They will often be the very first party contacted when you call the Don Support Phone.

AFTER HOURS SUPPORT

Each residence building is split into residence communities and each residence community has a Residence Life Don. Every single night that residence is open there are Dons who provide after hours support. These staff do rounds of residence checking for safety/facilities concerns and keeping an eye out for the safety of students. During large-scale campus events, and some holidays, the Don Support Phone is active. Each residence college has its own specific Don Support Phone number.

Call the Don Support Phone when:

- A residence guest won't leave or is causing trouble
- A residence student is endangering themselves or others
- A medical emergency occurs (use your judgement to determine if TUEFRT or 911 should be contacted FIRST)
- A fire is present (pull the alarm FIRST)
- You need someone to talk to about a situation that is affecting you
- You have a concern you feel is not being addressed and you need it to be solved as soon as possible
- You find a facilities concern (a broken sink, or door, or toilet, or a leak)
- You are locked out of your room

WHEN TO CALL THE DON ON-DUTY:

Residence Life Dons get extensive training regarding campus resources and will ensure the correct resource is contacted if you are not sure who to call. Dons are on-duty from 8pm to 8am every day that residence is open.

Asbestos

Trent University is committed to promoting the health, safety and well-being of its student residents.

Asbestos continues to be present in a number of residences, including in materials such as insulation around piping and mechanical equipment, flooring, and wall finishes.

Recognizing the hazards that may arise when asbestos fibres become airborne as a result of disturbance or deterioration, the university is committed to a strict management program of all asbestos-containing materials in university buildings and any activities that may disturb such materials.

The university is committed to comply with the legislative requirements outlined under the Ontario Regulation respecting Asbestos on Construction Projects in Building and Repair Operations (O.Reg 278/05).

The university has an obligation to inform all occupants of any buildings containing asbestos. An inventory of asbestos, by college, is available from Trent University Housing Services in Blackburn Hall, Suite 129. Additional information can be obtained by contacting Housing Services at x7127.

Personal Safety and Mental Health

Starting university is exciting, but it can be stressful, too. The good news? You don't have to handle anxiety, depression, or other mental health difficulties on your own.

Trent works hard to create a safe and supportive environment—an environment that encourages a supportive and open campus-wide dialogue about mental health issues. That's the key to keeping everyone safe and healthy: the individual who is struggling as well as the other members of our campus community.

Not sure who to turn to or how to access the support you need, if you're going through a rough time?

There are a number of services and supports available to you while you're living in residence:

- **Your Residence Life Don:**
Your Don is an upper-year student who has been trained to offer support and who can help you tap into other mental health services.
- **Your Residence Life Coordinator (RLC):**
Your RLC has received comprehensive training in mental health first aid.
- **On-campus mental health supports:** Trent Health Services, the Counselling Centre, Student Accessibility Services, and Housing Services all work together to assist students who are struggling.
- **Community crisis supports:**
There are 24-hour crisis support hotlines and other mental health supports in the local community:
- **4 Country Crisis**
(Community Mental Health Crisis Response Program):
705-745-6484 or 1-866-995-9933
- **Telecare Distress Centre of Peterborough**
705-745-2243
- **Good2Talk**
1-866-925-5454

The majority of students living with mental health challenges manage to function well in a residence environment. Occasionally, residence is not the best environment for a student who is struggling. In such a situation, Housing Services will support the student in exploring other options for housing and connect them with campus and community resources when additional support is needed.

Sexual Violence and Sexual Consent

Ontario has a provincial action plan to prevent sexual violence, including on campuses.

Students new to Trent participate in the prevention programming Consent at Trent during orientation week as one part of our efforts to end sexual violence.

Sexual violence means any sexual act or act targeting a person's sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person's consent, and includes sexual assault, sexual harassment, stalking, stealthing, indecent exposure, voyeurism and sexual exploitation.

Participating in sexual activity of any nature is a choice. Ensuring that you have sexual consent, and give consent is an important part of all sexual encounters

Consent is an active, direct, voluntary, unimpaired, continual and conscious choice and agreement between persons to engage in physical contact or sexual activity.

- Consent is active, not passive, coerced or silent. It is a clear "yes", not an absence of "no".
- Consent must be continuous throughout the sexual encounter and can be revoked at any time.

Walkhome Program

Another great resource is Trent Walkhome run by student volunteers.

The **Symons campus** program is available from 7 pm – 1 am, Monday – Friday and 9 pm – 1 am, Saturday and Sunday.

The **Trill campus** program is available from 8 pm – 11 pm, Monday – Friday. These volunteers operate on call, but can also be booked in advance.

- Consent is the responsibility of the person who wants to engage in sexual activity to make sure that they have consent from the other person(s) involved.
- Consent to one sexual act does not constitute or imply consent to a different sexual act.
- Consent is required regardless of the parties' relationship status or sexual history together.
- Consent cannot be given by a person who is incapacitated by alcohol or drugs or who is unconscious or otherwise lacks the capacity to give consent. If a participant's judgement is impaired, consent is not valid.
- Consent cannot be given if the instigator is in a position to confer, grant or deny a benefit or advancement to the other person and the instigator knows or ought reasonably to know that the solicitation or advance is unwelcome. This definition applies equally to all persons regardless of sexual orientation.

Ask first, and keep asking – use your words! Consent is sexy.

- "Do you want to keep going?"
- "Do you like this?"
- "Is this turning you on?"
- "How do you feel about this?"
- "Are you doing okay?"

GETTING HELP

It's never your fault if you're sexually assaulted. Remember that sexual assault can happen regardless of precautions. As a community, we can ALL work together to help prevent it from happening.

There are supports available to students both on and off campus.

If someone has recently experienced sexual assault and needs healthcare and crisis support, they should go to the Emergency Room at the Peterborough Regional Health Centre and ask to see the Sexual Assault Nurse Examiner. Care is provided 24/7.
