

STUDENT JOB DESCRIPTION

Job Title: Summer Residence Assistant

Department: Student Housing

Supervisor Title: Residence Life Coordinator or Student Housing Coordinator

Last Reviewed: October 2025

JOB PURPOSE:

Reporting to the Residence Life Coordinator (RLC) or Student Housing Coordinator (SHC), the Summer Residence Assistant (RA) is a student employee within Student Housing who develops and implements co-curricular programming that supports student success, engagement, and holistic development for students living in residence in the summer (May to August). The Summer RA acts as a community builder and peer mentor, who connects students with intentional learning opportunities aligned with students' academic, personal, and professional growth. RAs foster inclusive communities where residents develop leadership skills, build meaningful connections, and engage in experiences that complement their academic journey. RAs participate in nightly on-duty rotations, including weekends and holidays, to ensure community safety and crisis response. It is anticipated that the Rs will work approximately 10-15 hours per week with flexibility based on student needs and programming in their communities.

KEY ACTIVITIES:

- 1. **Community Development and Engagement:** Build vibrant, inclusive communities by actively engaging with residents every week; facilitating meaningful connections among community members, and creating a welcoming environment where all students feel they belong and can thrive.
- 2. **Student Success Support:** Be regularly available to students, particularly during evenings and weekends; promote student wellness and academic success by being familiar with campus services and referring students as needed; understand personal and role limits when supporting students.
- 3. **Co-Curricular Programming:** Promote and connect students to learning experiences aligned with the curricular model that support student success across multiple dimensions including:
 - a. Academic success initiatives (study skills workshops, peer study groups, academic resource awareness)

- b. Leadership development opportunities (skill-building workshops, peer mentorship, community leadership roles)
- c. Wellness and life skills programming (stress management, healthy relationships, financial literacy, nutrition)
- d. Career readiness activities (resume workshops, networking events, professional development)
- e. Campus connection events (involving campus partners, student organizations, community resources)
- 4. **Peer Support & Mentorship:** Establish and maintain supportive relationships with residents through getting to know their names, regular interactions, intentional one-on-one check-ins throughout the term, active listening, and utilizing peer helping skills to support students' personal growth and development.
- 5. **Student Success Support:** Be regularly available to students, particularly during evenings and weekends; promote student wellness and academic success by being familiar with campus services and referring students as needed; understand personal and role limits when supporting students.
- 6. **Collaboration & Partnership:** Collaborate regularly with Residence Life & Education Assistants, campus partners, and student organizations to facilitate programming offerings; connect residents with additional co-curricular opportunities, volunteer experiences, and involvement options across campus.
- 7. **Community Meetings & Communication:** Facilitate community meetings to gain insight into student learning, build community identity, gather resident input, share important information, and foster a sense of belonging and shared responsibility
- 8. **Community Response:** Support students experiencing a variety of conflicts, including mediating conflicts that arise between roommates and community members, referring to the Residence Life Coordinator and other appropriate resources as necessary; respond to community and student concerns as required; ensure community safety and security; escalate as per departmental procedures; document incidents appropriately.
- 9. **Role Modeling & Community Standards:** Act as a positive role model by upholding the Residence Standards, Residence Agreement, and Student Charter of Rights and Responsibilities; maintain strong understanding of community expectations and communicate this information to students.
- 10. **Communication & Documentation:** Communicate regularly with supervisor through one-on-one meetings, email, and other documentation as required; maintain accurate records of programming, student interactions, and community development efforts.
- 11. **On-going Development:** Participate in all required training and development opportunities; engage in weekly staff meetings; continuously develop skills in program facilitation, community development, and student support.
- 12. Other duties as assigned.
