Student Declaration of Understanding

Workplace Safety and Insurance Board or Private Insurance Coverage
For Students on Program Related Placements

Student coverage while on unpaid placement:

The government of Ontario, through the Ministry of Colleges and Universities (MCU), reimburses WSIB for the cost of benefits it pays to Student Trainees enrolled in an approved program at a Training Agency (university). Ontario students are eligible for Workplace Safety Insurance Board (WSIB) coverage while on placements that are required by their program of study. However, students are advised to maintain insurance for extended health care benefits through the applicable student insurance plan or other insurance plan.

Please be advised that Trent University will be required to disclose personal information relating to the unpaid work placement and any WSIB claim to MCU.

This Agreement must be completed, and signed to indicate the Student Trainee's acceptance of the unpaid work placement conditions, and a copy provided to the University placement coordinator prior to the commencement of the work placement.

Declaration:

I have read and understand that WSIB will be provided through the Ministry of Colleges and Universities while I am on a placement as arranged by the University as a requirement of my program of study.

I agree that, over the course of my placement, I will participate in and implement all safety-related training and procedures obtained from the Placement Employer and abide by all safety-related placement requirements of the University. I will provide the University with written confirmation that I have received safety training.

(Note: If specific Health and Safety training is required, you may amend the above paragraph to state: Specifically, I will provide written confirmation that I have received the following health and safety training: List each required training course.)

I will promptly inform my Placement Employer of any safety concerns. If these concerns are not resolved, I will contact the University's placement coordinator within my faculty and notify them of any unresolved safety concerns.

I understand that all accidents sustained while participating in an unpaid work placement must be immediately reported to the Placement Employer and my Trent University placement coordinator. An MCU Postsecondary Student Unpaid Work Placement Workplace Insurance Claim form must be completed and signed in the event of injury and submitted to the University placement coordinator.

In the event of an injury, I also agree to maintain regular contact with the University and to provide the University with information relating to any restrictions and my ability to return to the placement.

I understand the implications and have had any questions answered to my satisfaction.
