

**INDG 6700:
Practicum Placement Reflection Paper and Presentation Guidelines**

Reflection Paper

The reflection paper for the practicum placement is expected to summarize the student's practicum experience - responsibilities, actions, what might have been learned as it relates to the student's life and if applicable to the student's research.

It is a reflection on what has been learned and what practical experience has been gained.

Length of paper: 5 to 6 pages double spaced. (12 point font)

A possible outline could include:

- Positionality & Introduction
- Context
- Tasks & Responsibilities During the Practicum
- Learning & Reflection
- Conclusion

Due to the Director of Studies no later than two weeks prior to the presentation.

Practicum Presentation

When you have completed your practicum and have submitted the Practicum Supervisor/Host Evaluation please reach out to the Program Assistant to schedule your presentation.

The presentation is informal. Please be prepared to give a 10-20 minute summary of your experience, activities and learning. The Director of Studies and the Director of the PhD Program will have questions for you as well. It won't be longer than 1 hour.
