TRAIL COLLEGE: A PLACE TO CALL YOUR OWN

[TRENTU.CA/TRAIL](https://www.trentu.ca/trail)

AT THE HEART OF TRENT, IN THE HEART OF THE PETERBOROUGH COMMUNITY

At the heart of Traill College (and Trent) is a community of scholars who believe in the power of education – the power to make each of us better individually and the power to come together to make the world a better place.

Every aspect of the Traill experience is designed to bring us together. Here, conversations lead to real dialogue.

From historic common rooms and the college café, where faculty and students meet to discuss the issues of the day, to the college library equipped with a dedicated collection of law resources, spaces abound at Traill that enhance your formal learning outside of the classroom.

OUR HEART BEATS LAW

More than just classrooms and residence spaces for law students, the Traill experience brings the study of law to life. Here, every moment of every day (weekends and evenings too!), your home at Traill offers something for you to get involved in.

Like law itself, Traill College is a space based on and steeped in tradition and scholarship. It's also a place where a future of endless possibilities begins.

We invite you to be part of this special community of scholars.

Join the Traill Law community, create your own legacy and leave your mark on the world.

IF YOU WANT TO EAT, SLEEP AND BREATHE LAW, TRAILL COLLEGE IS WHERE YOU WANT TO BE.

Traill is a place to find your voice. Join an intimate dinner with local lawyers in the Senior Common Room of 135-year-old Scott House after a talk on constitutional law by a judge at the esteemed Bagnani Hall.

Traill is a place of belonging. Debate the merits of your latest seminar with friends at The Trend, the College café. Established in 1968, The Trend is the at the centre of the College's social life. Its cozy atmosphere creates a hub where new and upper-year students can get together, have lively discussions, eat, or just have fun. Ready to relax? You're on the doorstep of the City's entertainment district where even more great cafés and restaurants abound.

Traill is the place to be for students serious about their education and dedicated to social justice. Quite simply, **there is no better place to start your Trent journey in law.**

"LIKE LAW ITSELF, TRAILL COLLEGE IS BASED ON AN APPRECIATION OF TRADITION, SCHOLARSHIP AND THE POSSIBILITIES THAT THE FUTURE CAN OFFER. AS A STUDENT OF THE TRENT-SWANSEA LAW DUAL DEGREE, YOU BECOME PART OF THE LEGACY OF TRAILL COLLEGE IN A SUPPORTIVE COMMUNITY THAT ALLOWS YOU TO MAKE YOUR OWN MARK."

WHAT IS A COLLEGE?

"Wait. What? I signed up for university and now you're telling me I'm part of a college... did I miss something?" No. Actually, you are now part of an unparalleled learning experience and your college will be one of the defining attributes of being a Trent student!

Trent was founded on the tradition of the college system of the earliest medieval universities, where students live and learn in smaller, close-knit scholarly communities on campus.

A university college is a community that promotes learning, embraces diversity, and creates informal connections between students, faculty and staff.

Members of the college community come together through a unique blend of traditions, events, workshops, places to hang-out, and support services - all designed to create a sense of belonging. At Trent, every student is a member of a college.

As a student of the Law and Arts or Law and Business program, you are automatically affiliated with Trent's original college located in downtown Peterborough: Traill College.

Every new student at Trent is able to choose their college – we hope you will choose the law community we are building at Traill!
