

## Downloading Adobe Digital Editions

1. Navigate to <http://bit.ly/SPAdobe>
2. Select *Download Adobe Digital Editions 3.0* (choose Windows or Mac)
3. Open the downloaded .exe (Windows) or .dmg (Mac) file
4. Open the Adobe Digital Editions 3.0 Installer
5. Proceed through the installation steps
6. Once Adobe Digital Editions opens, you will be prompted to authorize your computer by connecting it to an Adobe ID. If you don't have an Adobe ID, you can create one now (it's free).

7. Sign in using the eBook Vendor 'Adobe ID' (this should be the default) and your Adobe credentials. You will receive a confirmation message, and be ready to borrow!

## Checking out a Borrowable eBook on Scholars Portal Books

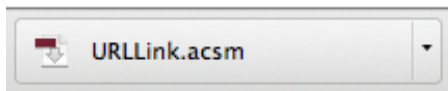

1. The orange flag above a book's cover image will say Borrow this E-Book if the book needs to be checked out to be read:

2. Download and install Adobe Digital Editions and create an Adobe ID (see instructions above). Once you've done this, download your book by selecting the large blue button:

**Download your book here...**

3. A file ending in the extension *.acsm* will download. This file should automatically open in Adobe Digital Editions, but if it doesn't, right click and choose 'Open with...'

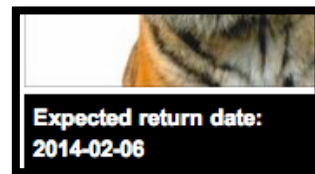

4. Your book will open in Adobe Digital Editions. After 72 hours, it will be returned automatically.

### Q: How can I tell if a book is available?

Look under the book's cover image to see it's available:

If a book is unavailable, you'll see the date it's due back:

### Q: Can I renew a book?

You cannot renew a loan, but there is no limit on the number of times you can check a book out.

### Q: How do I return a book?

Your book will be automatically returned after 72 hours. To return it early (so someone else can use it), right click on the book's cover in your Adobe Digital Editions library and choose 'Return borrowed item'
