were given to **2670**
students in Durham &
Peterborough

2996 students completed
the Library Skills Program
in Blackboard

A new online reading list tool
launched in May 2020 to support
remote course delivery in response to
COVID-19. In a few short months over
2000 citations were processed and 29
workshops were given to 430 faculty.

Leganto

In December 2019, in collaboration with 13
other Ontario universities, the Library launched
this new academic search tool enabling one
stop searching of all our resources.
