

Department of Mathematics

Trent University invites applications for a **12-month limited-term** appointment in the Department of Mathematics at the rank of Assistant Professor. The position will start July 1st, 2018, subject to budgetary approval. The successful candidate will teach six undergraduate courses, including one course at the first-year level taught during the summer 2019 term. The position also involves participation in the supervision of undergraduate Honours Projects.

In general, the successful applicant will be able to demonstrate excellence in teaching at different undergraduate levels, a willingness to develop challenging and innovative approaches to teaching, as well as an ability to work closely with colleagues and students. Applicants should have a Ph.D. in Mathematics or the Mathematical Sciences, and an active research program.

Applications should include a cover letter that addresses qualifications for the position, curriculum vitae, a description of research and teaching interests, and a teaching dossier including course evaluations; and arrange for three letters of reference to be sent to: math@trentu.ca. Please send applications to math@trentu.ca attention Dr. Wenying Feng, Chair, Department of Mathematics. Please note that applications will only be accepted in PDF format via email.

The deadline for receipt of complete applications is **May 5th, 2018**, or until the position is filled.

Additional information on the Department and the University can be obtained at <http://www.trentu.ca/math>.

Trent University is actively committed to creating a diverse and inclusive campus community and encourages applications from all qualified candidates. Trent University offers accommodation for applicants with disabilities in its recruitment processes. If you require accommodation during the recruitment process or require an accessible version of a document/publication, please contact math@trentu.ca.

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority.
