Please note:

- **INFLUENZA VACCINE: proof of influenza vaccination is due DECEMBER 1, 2021.** There are no fees associated with the submission of this document. Synergy will provide you with submission instructions at the time of your initial appointment.
- CPR, TB skin tests and vulnerable sector searches are valid for one (1) year. TB chest x-rays and N95 Mask fit tests are valid for two (2) years.
- Online health and safety modules are available on Blackboard via the MyTrent Portal to registered students.
- Students are required to keep original copies of all NAR documents, as some placement sites require to view originals.

An appointment at full-service fees will be required to update any expiring documents, so if you have more than one document expiring, we suggest you update them together in one appointment to avoid multiple appointments/fees. Following the guidelines above will ensure your non-academic requirements remain valid.

Failure to obtain/renew your NARs will result in your removal from clinical.

OUT OF SYNC/OFF TRACK STUDENT DISCLAIMER: Please note if you are returning to school after a leave of absence, part-time studies, partial load etc., you will be required to book an ESPC appointment to have any of your expired documents updated.
