

- ☛ The purpose of Trent University’s internal research funding programs is to support original research and advanced training of students.
- ☛ A **Final Report on Internal Grant Activities** is required as per the terms of the award. The descriptive text of the report should be in lay terms. Reports should emphasize:
 - ☛ the objective(s),
 - ☛ the results obtained,
 - ☛ the application of the findings,
 - ☛ any public engagement, and
 - ☛ any deviations from the original research plan or proposed budget.
- ☛ **Deadline for Final Reports: Within 3 months of project completion date.**
 - ☛ No new internal grant applications will be considered if a Final Report is outstanding.
- ☛ **Report on Internal Research Grant Activities** forms are available electronically from the Office of Research & Innovation. All reports must use this fillable form.
