**Non-Disclosure  
Agreement**

The undersigned acknowledges that the information provided by Trent University, and its researchers, in any presentations, documentations, and discussions, is Confidential Information. The confidential and proprietary information (collectively referred to as “Confidential Information”) includes, but is not limited to information related to Trent University; research activities and operations, programs, procedures, technology, operational processes and methodologies, trade secrets, written materials and the results of research and developments arising from my contract with Trent University. The Confidential Information may either be developed, in the course of development or yet to be developed. The undersigned agrees not to utilize or disclose Confidential Information without the express written permission of Trent University.

The undersigned agrees that any Confidential Information provided by Trent University will not be copied, transmitted, or distributed without the express written permission of Trent University. It is further acknowledged by the undersigned that any disclosure of Trent University Confidential Information, or use in any regard of same by the undersigned, may cause serious harm or damage to Trent University. Furthermore the undersigned will use care and consideration in protecting Trent University Confidential Information from disclosure to any third party.

Upon request, any Confidential Information supplied by Trent University to the undersigned is to be immediately returned to Trent University.
