

Through our teaching, learning and research, we advance sustainable practices and innovations that build community and enhance the health of the planet.

**Healthy and Sustainable Environments and Communities**

We work with purpose and passion to foster inquiry. We value curiosity as a life-skill that fosters constructive, creative and critical thinking.

**SUBSTANCE**

**VISION**

Trent is *the* place to be and become, engage in meaningful learning, and build community. We provide the space and experiences that forge pathways to opportunity.

We foster an environment where Indigenous Knowledges are respected and recognized as an important means by which we understand the world. We are committed to advancing Indigenous resurgence through respectful partnerships and shared learning.

**Indigenous Truth, Reconciliation and Resurgence**

**MISSION**

At Trent University, we stand out by standing closer. We connect people and ideas, championing the potential in all – from learning to legacy.

**SPACE**

**SOUL**

**Sense of Belonging**

We offer the space for people to find their place, to learn through experience, and to contribute meaningfully to knowledge sharing.

**MOTTO**

Now I know in part  
(Nunc Cognosco Ex Parte)

We cultivate scholarship and view collaboration, partnerships, and interdisciplinarity as vital to learning and inquiry. We value academic freedom and encourage the pursuit of a broad range of ideas and engaged discourse.
