# Degree Requirements

## Applicable Calendar for Degree Completion

Students must satisfy both University Degree Requirements and Program Requirements.

## Program Requirements

Students must normally satisfy the Program Requirements in effect at the time of their declaration of major to the program. As changes are made to program requirements, students may choose to complete their studies under the program requirements of any subsequent Academic Calendar provided they were enrolled in the program during that academic year and meet these requirements in their entirety. Joint-majors must use the same calendar year for both major programs. This regulation is not applicable to students enrolled in the Bachelor of Science in Nursing and Bachelor of Education programs.

It is the responsibility of the student to consult the appropriate Academic Calendar(s) and to follow regulations and requirements as stated. Students will have the opportunity to declare their calendar year when applying to graduate.

Ten years from the year of declared major, students who have not yet completed their degree and wish to do so must follow the program requirements in the current year's Academic Calendar. For the Nursing BScN degree, please see the School of Nursing's specific degree requirements.

## University Degree Requirements

Students must satisfy the University Degree Requirements as published in the current Academic Calendar.

For requirements for the Consecutive Bachelor of Education program see [p. 142](#). Requirements for all other programs consist of:

1. an academic status of Good Standing
2. requirements for specific programs as outlined in the Academic Programs section of this Calendar
3. at least 3.0 credits, with a grade of 60% or higher, leading to majors in different disciplines
4. a maximum of 7.0 credits at the 1000-level can count towards the degree
5. a maximum of 1.0 credit with a D grade (50–59%) in courses in a major or each joint-major or minor; not applicable to students enrolled in BScN or BSW
6. at least 0.5 credit from the Approved Indigenous Course List (see [p. 17](#))

\*This requirement applies to all students beginning studies at Trent in the Fall 2018 term or thereafter.

### Notes

- The same course may not simultaneously satisfy the requirements of both programs in a joint-major degree.
- Students must complete a minimum of 10.0 credits at Trent University to qualify for a Trent University Honours degree and a minimum of 7.5 credits to qualify for a Trent University General degree. Five of the last 7.0 credits must be completed at Trent University.
- The maximum credits which can be required in each discipline of a joint-major is 6.0 for General programs and 8.0 for Honours programs.

### Requirements for a Bachelor of Science Degree

- Fourteen science credits (including 1.0 in Mathematics, but not from MATH 1001H, 1080H, 2080Y, 2084H, or 2085H) are required for the Honours degree.
- Eleven science credits (including 1.0 in Mathematics, but not from MATH 1001H, 1080H, 2080Y, 2084H, or 2085H) are required for the General degree.
- Courses fulfilling University science credit requirements for the BSc are marked (Sc) in the individual course descriptions.
- The Forensic Science degree (BScFS) and Nursing degree (BScN) are stand-alone professional degrees in science. Please see these departments' specific degree requirements.

### Requirement for a Minor

A minor is a prescribed set of at least 5.0 credits providing a secondary area of focus different from a student's major. A minor may only be completed as part of an Honours degree. Normally the requirements of a minor are the same as those of the corresponding joint-major General degree, and is offered only in subject areas in which a major exists. A minor will be notated on the academic transcript but does not appear on the degree parchment. Students who have fulfilled the requirements for a single-major or joint-major Honours degree may apply to the Office of the Registrar for a minor in a different subject. See individual department and program entries for details.
