

Trent University

Trent University is a fully accredited university with full membership in the Council of Ontario Universities (COU), Universities Canada, and the Association of Commonwealth Universities (ACU). Created by *The Trent University Act, 1963*, the University offers undergraduate and graduate programs.

The graduate academic year consists of three terms: Spring (May through August), Fall (September through December), and Winter (January through April).

The undergraduate academic year consists of a Fall/Winter session (two twelve-week terms, September through December and January through April). Summer session consists of twelve-week, eight-week, and six-week terms (May through August).

Note regarding course numbers: Trent University uses a three-, four-, or five-digit number for undergraduate and graduate courses.

During the 2019-20 Fall-Winter and 2020 Winter terms, the University was affected by the COVID-19 pandemic. In some courses, the syllabus was changed to re-weight course work and exams. As an accommodation in those terms, some students were granted a PASS in lieu of a numerical grade due to extenuating circumstances.
