Part-time Per Credit Fees International Students

Important: International Students are required to contact the Trent International Program Office to receive approval to study part-time and be eligible for per credit billing.

Fees for the 2017 fall and 2018 winter terms are posted as follows: Tuition levels are determined by the year a student first registered at Trent University. Students will receive an email early August with information regarding their registration invoice and payment of fees.

The fees quoted above exclude housing/meal charges for students accepted into residence. Residence fees, meal plans, books and special course related fees are in addition to the registration fees. Instructors will advise students during class of additional course fees for field trips or supplementary material, etc.

A late payment fee of \$75 applies to payments made after any due date and accounts will be subject to interest.
