Program Information Form

Students Studying at Another Institution

A student must apply for OSAP through the post-secondary institution where they pay the majority of their tuition/fees. However, a Trent University student may be taking courses at another institution in addition to their course enrolment at Trent University. To have the costs of these course be included as part of the students OSAP application, the courses must be credited toward the student Trent University degree.

Please submit a completed copy of this form to the Trent University Financial Aid Office.
