

## 2025.26 STUDY ABROAD EXCHANGE PARTNER FACT SHEET

Nestled on both sides of the Otonabee river, the beautiful campus of Trent University is a nature lover's dream in all seasons. Exchange students and locals alike enjoy hiking the drumlin in the fall, skating by the liftlocks in winter, and taking a dip in the river to escape the summer heat.

A quick transit trip from our main campus, the city of Peterborough holds hidden gems for lovers of culture, food and music. We have a student-friendly night life, cute cafes, rich culture including the newly built Canadian Canoe Museum, monthly art crawls and a thriving music scene. You can also find authentic international cuisine from all over the world. Spend the cold months watching hockey at the Memorial Centre downtown, and reading weeks in Toronto, Montreal or Niagara Falls. Trent University has something for everyone.
